It is probable that a special car will be necessary to take care of the big crowd that will accompany the team. Mayor John K. Reading officials have arranged royal entertainment for the Harrisburg party.

Harrisburg opens a three-day series at Buffalo to-day. The Indians are anxious to land two victories from the Bisons. Schacht was scheduled to pitch to-day, and Manager Eddie Zimmerman expected to win.

The Buffalo team is the hardest proposition Harrisburg has to contend with. They have this week and next week on the road, playing two games with Richmond at home on August 14.

Following the great victory in the first game at Toronto yesterday, Harrisburg went into the second battle full of "pep," winning out by a score of 1 to 0. Lee shut out his rivals with five hits. Jim Thorpe scored the only run of the game. The score follows:

### Government Will Help Move Country's Crops

Washington, D. C., Aug. 3.—Preliminary plans designed to make available the resources of the Federal reserve system in the annual fall movement of crops have been worked out by the Federal Reserve Board. Writing to the 12 regional banks the board pointed out in a letter made public to-day how members of the system may help to finance the crop movement.

The board's action was taken, the letter says, to forestall any possibility of congestion of crops this fall or lack of financial accommodation to move them and to avoid a recurrence of the stringency which in the past has marked this movement.

The only objection members of the board had to Faust at the start was that he was a single man. The majority of the board favored a married man.

Faust heard about the quandary of the board, and he informed the chairman he would hasten his arrangements and become one of the principals in a wedding before school reopened.

The members of the board were greatly relieved by this announcement and immediately appointed Faust.

## Williams Scores First in Semifinal Rounds

Special to The Telegraph  
Boston, Mass., Aug. 3.—B. Norris Williams, II, the national lawn tennis champion, squared accounts with C. J. Griffin, of San Francisco, who defeated him at the exposition tournament in that city recently, by winning in straight sets from the Californian in the fifth round of the Longwood challenge tournament yesterday.

Williams found his opponent very troublesome in the first two sets, but took the third easy, as Griffin tired rapidly on the wet turf.

N. W. Miles, of this city, went through in the finals by his victory over Craig Biddle, of Philadelphia, in four sets. He will play the winner of the match to-morrow between Williams and W. F. Johnson, of Philadelphia, for the honor of meeting Maurice E. McLoughlin of San Francisco, in the challenge round.

Johnson eliminated W. M. Washburn, of New York, in the fifth round.

## JUDGE GROMAN IS FOR CLEAN BASEBALL

### Elimination of All Pools His Ruling; Fines Agents After Plea of Guilty

Special to The Telegraph  
Allentown, Pa., Aug. 3.—The elimination of all baseball pools, large and small, with a view to keeping the national game clean, is the ruling of Judge Groman. He recently started a crusade in Lehigh county and announced yesterday, after fining one man who pleaded guilty to selling pool tickets, that the fight would be continued.

At a special session of court yesterday William Lichtenwalner, arrested for selling baseball pool tickets after Judge Groman started a crusade against that form of gambling a month ago, pleaded guilty.

Lichtenwalner said he had undertaken to handle the pool tickets in Allentown on assurances by the backers of the game in Wilkes-Barre that it was not illegal. When arrested he contended ex-Congressman Fred E. Lewis, who advised him that it constituted gambling and was illegal and immoral. He thereupon came to realize the gravity of his action and decided to quit and plead guilty.

### Confession Pleases Judge

The judge expressed himself pleased with the man's confession and said that to eliminate all gambling was the only way to keep the national game clean. Mr. Lewis added that he personally thought Lichtenwalner was a dupe of designing men and said that the backers were under arrest and would have to appear here for trial in September.

Judge Groman imposed a fine of \$300 and a year's imprisonment and the assurance of Lichtenwalner that he would cease all connection with the baseball pools suspended sentence.

In Harrisburg pools are still running, but, it is said, on a small scale. Local patrons of the Wilkes-Barre pool are still very sore because of the fact that many have not received their money back for the two weeks they did not get any returns. Announcement was made by some local agents that they would return the money, but up to date it is said that only a few received any cash.

### MOTOR GOVERNORS TO MEET

Members of the Board of Governors of the Motor Club of Harrisburg will meet to-night. Plans for the purchase of the Dauphin-Berks turnpike will be discussed.
