R. Hoffert, assistant park superintendent, to-day announced the personnel of the committee which he has asked to serve. The members are:

C. Floyd Hopkins, Robert W. Hoy, George W. Bogar, Ira Kindler, Thomas M. Keller, Gilbert M. Oves. A. P. Dintaman, Harry ("Mayor") Berrier, M. Harvey Taylor, W. K. Meyers, E. J. Stackpole, Vance C. McCormick, and J. R. Hoffert, chairman.

In announcing this personnel this morning Mr. Hoffert said he had not yet received replies from several but added that because of the comparatively short time remaining in which to arrange the details of the fete, he considered it advisable to announce the committee and call it together as early as possible.

At this evening's meeting the committee will determine just what it will be allowed to spend for the carnival, discuss a tentative program of events, talk over the number and character of the prizes and arrange such other details for the general program.

Subcommittees it is expected will be named to handle certain ends of the carnival and this will also be discussed at to-night's meeting.
