Marietta Moulder Commits Suicide by Hanging

Special to The Telegraph

Marietta, Pa., Aug. 9.—Shortly after 6 o'clock yesterday morning the community was startled to learn of the death of John Buchanan, living in West Marietta, he having committed suicide by hanging in a woodshed at his home. Mr. Buchanan had last been seen alive by members of the family on Saturday evening in Center Square, where the Marietta band was conducting a concert and festival. Mr. Buchanan was a moulder by trade and was for many years employed at the works of the Marietta Hollowware and Enameling Company. Of late he had not been working, being one of the employes now on strike. Yesterday morning his daughter Alberta, who has ever since the death of her mother been keeping house for her father and children, had occasion to go to the woodshed, and upon opening the door found the body of her father suspended from one of the rafters. Mr. Buchanan was 54 years old and is survived by the following children Harry, of West Marietta; Mrs. Flora, wife of Harry Lawrence, Marietta; Curvin, Lester and Lillian, at home.

REFORMED CHURCH CONFERENCE CLOSES

Fourth of Series of Missionary Education Meetings Held at Mt. Gretna

Special to The Telegraph

Mt. Gretna, Pa., Aug. 9.—On Saturday the fourth of a series of Five Missionary Education Conferences held by the Reformed Church this year closed. All the Reformed churches of this community are included in the Mount Gretna district and were represented by delegates at the conference. The closing address was made by Dr. C. B. Schneider, one of the older missionaries in Japan and president of the North Japan College at Sendai. In speaking of the kindly attitude of the better element of the Japanese to America and to the missionaries Dr. Schneider cited an instance of the Prime Minister giving a dinner in honor of a missionary who was about to return to the United States on furlough and requesting him to do all he could to confirm and strengthen the good feeling between the two nations. After Dr. Schneider's address a farewell service was held for the Rev. Paul Schaffner, who, with his bride, will sail for Japan this month. A progressive note in the nature of the Kingdom and the purpose of the church was struck by Dr. Herman of the Theological Seminary of Lancaster in his remarkable sermon on "The Kingdom Come" which opened the conference. This came out again prominently in an address on "New Phases of Home Missions" by the Rev. James Muller, of Baltimore. On Wednesday evening an illustrated address was given by Dr. Calverly, a missionary of the Dutch Reformed church in Arabia, home on furlough. He spoke of the difficulties of the work in Arabia, of the zeal of every Mohammedan in propagating his religion wherever he goes, and of the slow progress of Christianity in the Orient. The other evening addresses were given by Miss Cogan, and by William F. Adams, M. D., of Lochow, China. The work of each day was begun with a prayer service in charge of the Rev. O. S. Frantz, of Altoona. The sunset service was in charge of the Rev. E. H. Romig, of Pottsville. Six mission study classes were conducted by pastors and other mission study leaders. The institute hour was in charge of Ralph E. Dittendorfer, Educational Secretary of the Federation of Home and Foreign Mission Boards of the United States and Canada. Mr. Dittendorfer has for years been active in work with young people in New York. The officers of the executive committee which had charge of the conference were the Rev. R. J. Pigam of Philadelphia, and Joseph S. Wise, of Philadelphia.

Power Dam Across Juniata For Duncannon Industry

Special to The Telegraph

Duncannon, Pa., Aug. 9.—Utilizing a natural reef in the Juniata river at a point near Inoquoia, about four miles above Duncannon, a syndicate headed by Frank M. Waring, of Tyngsboro, Pa., and R. J. Rock, of York, will erect a dam across the river. A stone and concrete dam will be constructed with a head of fifteen feet, which is expected to afford from 2,000 to 3,000 electric horsepower. This will be conducted to Duncannon, where it will operate a mill for the manufacture of felt roofing paper and an asphalt refinery of modern construction. Engineers have been at work on the proposition, and following their reports, the syndicate has purchased property on both sides of the river. A charter has been applied for and it is expected that Governor will sign it on August 20. It is to be a \$500,000 enterprise.

WEST SHORE NEWS

Another Find of Coal Reported From Perry County

Special to The Telegraph

Marysville, Pa., Aug. 9.—E. S. Toner, of this place, believes that coal in paying quantities is imbedded in the Cove Mountains, near here. He has been prospecting on the mountain land belonging to J. W. Beers since early Spring. A number of veins crop out near the east end of the mountain and three of the largest, lying close together, were opened up to test them. Mr. Toner says they constantly widen, and now, after being opened a hundred feet, the two side veins measure ten inches each in diameter and the center vein twenty inches.

Several times coal has been found in these mountains, but the miners were never successful. Years ago a mine was started on the mountain, but the coal was of such a poor quality that it did not pay the persons interested to take it from the ground.

who is careful to protect himself in money matters, is careless about health—his most valuable asset.

For many, coffee drinking silently undermines health, because each cup contains about 2 1/2 grains of the cumulative, harmful drug, caffeine.

Five to six grains of caffeine will kill a rabbit or a cat, and repeated daily will cripple a man.

How cripple a man? The caffeine, little by little, causes hardening of the arteries and premature old age, showing more in some than in others.

Some of the symptoms of caffeine poisoning are headache, nervousness, biliousness, heart flutter, sleeplessness at night, and "fag" after coffee's reaction in the daytime.

The way to avoid all coffee troubles is to leave coffee alone and use
