

LEAVE DAY BRINGS GOOD NEWS TO LOCAL FANS---WORLD SPORT HAPPENINGS

GEORGE CUTSHAW EQUALS HIT RECORD

Clouts Ball Six Times in Succession; Major League Leaders Witness Slugging Match

Chicago, Ill., Aug. 10.—George Cutshaw, second baseman for Brooklyn, yesterday tied the world's record held by Clarence Beamsont, of Pittsburgh, by making six consecutive hits in as many times at bat in the game against Chicago. The visitors shut out the locals, 13 to 0. Brooklyn played a slugging game, making a total of 23 hits off Pierce and Strandberg. Chicago gathered one hit in the first inning and Gooden who made it, reached second when Wheat fumbled the ball. He was the only man to get that far around the bases. Archer made the other hit in the second inning but failed to advance. Not a man walked on either side and no sacrifices were made.

E. B. Johnson, president of the American League, was the guest of President Tener, of the National League, at the game, it being Mr. Johnson's first appearance at the park since the world's series of 1910.

TEN-CENT BALL POPULAR

Will Follow Newark Policy Through-out Federal Circuit

New York, Aug. 10.—Officials of the Federal League, it was stated here yesterday, will soon announce that a policy of popular priced baseball will be put into effect in all of the eight cities of the Federal circuit. The new prices, it was said, will be like those tested at Newark and include a rate of 10 cents for bleachers, 25 cents for pavilions and 50 cents for the grandstand.

It was said to-day that President Gilmore and his associates expect to make these rates the basis of their fight against organized baseball. Mr. Gilmore said that the whole reaction did not indicate any corresponding decrease in the salaries of the Federal League players or any decline in the standard of their playing. The league, it was said, is making its price war on the supposition that the decline of interest in baseball this season is due to high prices.

BAN ON MUD BALL

Heavy Fine if Used by Any Federal Pitcher

Chicago, Ill., Aug. 10.—Use of the "mud ball," successor to the emery ball, is prohibited in the Federal League in orders issued yesterday from President Gilmore's office here, under penalty of \$50 fine. In addition a ruling that the umpires must rub the glove off all new balls before putting them in play was included and the use of a sponge, wet handkerchief or other article to aid in moistening the balls was interdicted.

Credit for discovering the mud ball has been given to Ed. Reulbach, of the Newark Federals, who is said to have used it successfully in a game against Chicago a few days ago. A little lump of wet sand stuck on the ball caused it to take a peculiar course, something after the fashion of the emery ball.

MAYOR AND GORGAS VOTE 'AYE' AT LAST

[Continued From First Page.]

provement work from the first, to find the money. So at last week's session of Council they inspected Mr. Gorgas' annual report, which found sufficient money to make up the deficit in the River Wall fund caused by the unexpectedly large award of the W. H. Opperman arbitrators and thus financed the closing of the gap.

Whereupon the Mayor and Mr. Gorgas to-day quit fussing and voted "aye."

Opperman to Get Check Council followed the passage of the Lynch ordinance by adopting a resolution authorizing the payment of the Opperman award. Mr. Lynch will receive \$22,767.09 to-morrow.

The ordinance placing before the people at the November election the question of voting on the floating of another \$300,000 improvement loan for the construction of a modern concrete bridge over the Penn's tracks from Allison Hill to Walnut street was passed by a large majority.

Committees consisting of William A. McElhenny, Dr. J. W. Storey, G. W. Straw, James Auter, Richard Dare and Edward F. Eiseley, waited on Council for the purpose of presenting a committee was represented by Attorney Robert Rosenberg who made an eloquent appeal for the passage of the bill. He also presented a petition of 1,367 names of voters from all over the city; another bore the signature of 512 women.

Mayor Royal alone declined to vote on the ordinance. He owns property which will be directly benefited should a bridge be constructed there, he said.

Dr. Eiseley, in his address as solicitor D. S. Seitz, he said he believed the best that he should not vote, even though he was heartily in favor of a bridge.

The sinking fund commission is preparing to float the remainder of the \$160,000 of the 1913 \$300,000 loan was indicated to-day when Mr. Gorgas offered a resolution providing for the absorption of \$60,000 of the water department balance in that much of the remaining loan. The other hundred dollars will be floated in the near future, the street commissioners having decided this yesterday. An effort will be made to dispose of the \$100,000 to banks and Mr. Gorgas says he fears that the four per cent interest can easily be obtained.

One year ago \$140,000 of this sum was floated and of this amount \$127,575.72 has been expended as follows: For sewers, \$38,911; water plant, \$19,912.56; parks, \$52,702.37; fire apparatus, \$11,210.34; bridges, \$4,770.34.

Construction passed finally included: Opening and grading streets in Fifth, from Schuykill to Mahantongo streets, opening and grading Seventeenth from here to a point 220 feet north of Verbeke; opening and grading Verbeke, Fifteenth to Eighteenth; sewer in all new measures introduced included: Opening Fifth street, Reels Lane, Wisconsin; placing Twenty-sixth, Twenty-seventh and Greenwood streets on the city map.

Commissioner Lynch also submitted the specifications for the new paving in Bellevue Park and bids for the improvement will be opened Friday, August 20.

Prior to the adjournment of Council, Mr. Gorgas stated that the long delayed warrants for the engineering staff of the Board of Public Works will be O. K. by him so that the men may get what is coming to them at last.

INFIELDER LOWE FAST MAN; WILL PLAY IN SATURDAY GAME

Local Fans Happy Over New Players; Commend President Fogerty's Activity; Two Games Saturday

News that the Harrisburg team will be strengthened for the home games and final spurt, created great enthusiasm in Harrisburg. Local supporters have been much concerned because of the crippled condition of the team. President Thomas Fogerty with Secretary William R. Douglas, have been keeping the wires warm, and will have a strong team by the end of this week.

Fletcher Lowe, the infielder released by Boston Nationals to Harrisburg, is a Dartmouth College star. He has been playing shortstop. Mow's hand may keep him out of the game for sometime. Lowe is said to be a valuable utility man and a good hitter.

Pitcher Smith sent here from the New York Americans, has not had a chance to do much work with the Yankees, but when called upon, made good. Catcher Reynolds may alternate in right field and back of the bat, allowing each catcher to get a day's rest after playing in the outfield.

The team went to Providence, R. I., Tuesday and will play four games with the Grays. On the return of the Indians Richmond will be the first team tackled. Two games will be played at Island Park Saturday. On Monday, Tuesday and Wednesday of next week, Providence will be the attraction. Thorpe Day will be observed Tuesday. Secretary Douglas is now arranging the program which will include a concert by the Carlisle Indian band.

Hale Jenkins, of Norristown, grand master of the grand lodge, of Pennsylvania; Usher A. Hall, Philadelphia, grand secretary and Robert W. Montgomery, grand warden.

Harrisburg Elks Ready For Game at Sunbury

Manager Clarence H. Sigler of the Harrisburg Elks' team, is having trouble in securing games. The team practices three days each week, and will open the season at Sunbury, Saturday afternoon. The Sunbury Elks are making big preparations for this game.

Manager Sigler had been promised games at Carlisle, Chambersburg, York, Lancaster, Reading and Wilkes-Barre. Baseball teams at present, are a scarce article in these cities. The Harrisburg Elks want to play exclusive Elks teams. It is probable that a game may be arranged with Erie Elks for next week, during the convention of Pennsylvania State Association of Elks in that city. The lineup selected for Sunbury on Saturday follows: Gardner and Sanders, catchers; S. Weber and Dinger, pitchers; Krahl, first base; McConnell, second base; Early, shortstop; Simonetti, third base; Flickinger, left field; Miller, center field; Allen, right field; C.
