HAILSTORM DAMAGES CARLISLE PROPERTY

Stones as Large as Walnuts Break Thousands of Panes of Glass

Carlisle, Pa., Aug. 10.—Carlisle and a narrow path through central Cumberland county was visited yesterday afternoon by a hailstorm of unprecedented fury that lasted about ten minutes. Thousands of panes of glass were broken and hailstones of one inch diameter were abundant. The maximum sized hail found measured five inches in circumference. Three stones weighed one-quarter of a pound. Great damage was done to corn and fruit trees. Streets were covered with a heavy slush and in many places the hail was five inches deep. At the Carlisle Nursery Company's greenhouses in the northern section of town over 15,000 feet of glass was broken, while several thousand feet was broken at the Robbins greenhouse in the southern section of town. Several large windows and many skylights in the central section of the town were smashed. Hardly a house in the borough escaped and many suffered as many of twenty-five broken windows. At the Inman school 400 windows were broken. The passengers on the local train which arrives here from Harrisburg at 3 o'clock were held prisoners on the train, not daring to venture from the coaches into the terrible downpour of ice.

A False Standard of Culture
has gained ground in this century which looks upon the bearing and rearing of children as something coarse and vulgar and to be avoided, but the advent of Eugenics means much for the motherhood of the race. Happy is the wife who, though weak and ailing, depends upon Lydia E. Pinkham's Vegetable Compound to restore her to health and when headaches and backaches are a thing of the past brave sons and fair daughters rise up and call her blessed.

TO END CATARRHAL DEAFNESS AND HEAD NOISES
If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Earsmit (double strength), and add to it 1 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial. There is nothing better.
