Miss Marle Melville, 1835 North Second street, is spending two weeks at Delaware Water Gap.

Weak, inflamed eyes, if not properly

Weak, inflamed eyes, if not properly treated in time may bring on partial or even total blindness. Granulations may form which irritate the eyebalt which may result in total loss of the seriously affect the optic nerve, which if it should die would also cause loss of the eyesight. Therefore, when your should at once use a little Luxotone. The ingredients in this remarkable wises Corbett at 20 South Twenty-product are widely used by eminent eyes beccane faiting the treatment of con-ditions above referred to. Its power dis so great that it will make red, in-famed, "blood-shot" eyes clear, white and bright in from five to ten minutes and tones up weak, tired eyes. Re-lieves headaches and restores failing eyesight due to simple inflammatory conditions. I always prescribe it in all ordinary cases of eye trouble. Of formed requires a surgical operations but many surgical operations on the eye may be avoided by the use of proper treatment in time.—E. Sauer, M. D. NOTE: The above article was an-thorized for publicity by the Public
