FIND BLOODY AX IN SECOND ST. YARD

Weapon Found Close by Home of "Hatchet Fiend" Victim

Fresh mystery was added to the series of crimes attributed to Steelton's "hatchet fiend" this morning by the finding of a blood-spotted ax by Mrs. George Enney, of 390 South Second street.

The weapon was discovered in a clump of tall grass in the rear of the Enney home, which is just a few doors off Mohn street, and close to where pretty Marie Wein and Mrs. Sara R. Benninger fell victims while they slept to the "hatchet fiend."

Neighbors who were much excited at Mrs. Enney's find, believe that the ax, a short-handled, single-edged weapon, was cast away by the criminal as he ran down River alley towards the foreign section after his visit to either the Weisand home, in Godd street where Miss Wein was assaulted, or from the home of Mrs. Kobenfinger, in Mohn street, another victim.

Believing that perhaps the weapon had been thrown into the Enney yard by boys, inquiry was made among all the neighbors. No one claimed the ax. A few spots, believed to be blood, made the Enney and officers to whom the weapon was shown, form the opinion that the ax was used by the "hatchet fiend" in one or six seven crimes.

Mrs. William Gutschall, of 669 South Front street, who was attacked by a foreigner Tuesday night, is seriously ill. Physicians believe her sickness was brought on by the shock of Tuesday's adventure. Joe Caleta, the foreigner now in jail, charged with the attack upon Mrs. Gutschall, is not believed by the authorities to have anything to do with the "hatchet fiend's" crimes.

Some careful financing will be needed to obtain money to equip three rooms which will be used to care for the new pupils. Three teachers must be employed and supplies purchased. Superintendent L. E. TO LEVEL OFF OLD BETHEL GRAVEYARD

Many Graves Unmarked and Committee Urges That Stones Be Placed at Once

Persons having friends or relatives buried in the Old Bethel Cemetery, Highspire, may not be able to find the graves of their departed after a few weeks, because the church members of the vicinity have authorized a committee to level the graveyard, saw grass seed and improve the conditions of the graves.

A number of graves in the cemetery are not marked and the committee, in order to give friends and relatives of persons buried there time enough to erect a tombstone or marker, are announcing ahead of time the improvements planned.

Members of the Church of God of Highspire, are anxious to have the cemetery improved as soon as possible. No arrangements have been completed to provide for the graves that remain unmarked, when the improvements are begun. On the committee are George E. Sides and Frank Miller.

For Recorder of Deeds and Clerk of the Orphans' Court FRANK J. ROTH

To the Electors of Dauphin County: I am a candidate for nomination on the Republican ticket for the office of Recorder of Deeds and Clerk of the Orphans' Court of Dauphin County. For more than twenty years I have been the Official Stenographer of the Courts of Dauphin County, and for thirteen years an Attorney at Law. My long experience in and knowledge of the business of this very important office, combined with my special qualifications with a thorough understanding of the business of this very important office, and the confidence of the general public standing upon my record as a court official, as a citizen, and as a man. If my candidacy commends itself to your judgment, I beg you to believe that I shall highly appreciate the favor of your vote, and thank you for the honor you do me. Elected, my personal attention will be given to the office; and I shall earnestly strive to merit your approval by a courteous, conscientious and efficient administration — believing this course to be the right one of conduct in public as well as in private affairs.

NOTE: I HAVE NEVER BEFORE BEEN A CANDIDATE FOR PUBLIC OFFICE. Sincerely yours, FRANK J. ROTH.

Wiconisco, Pa., April 5, 1915.

DEAR SIR— I hereby announce myself a candidate for County Commissioner on the Republican Ticket at the primaries in September next. I have been Justice of the Peace in Wiconisco Township since May, 1899, making a continuous term of 16 years, and was also Triennial Assessor of Wiconisco Township from 1905 until 1914. I would briefly say to the voters of Dauphin County that I have been very careful during my time as Justice of the Peace in the matter of costs by not returning cases to court whereby the county might be liable for costs. I always deem this important upon an officer to prevent making costs if he can, as we all know that unnecessary costs mean unnecessary taxes. I believe in doing the best for the tax payers' interest; I believe in conducting the affairs of County in an Economic Way; I believe in just and fair dealing with all concerned. In conclusion I would say to you who do not know me, that I was born and resided on a farm near Berrysburg, Dauphin County, until I was about twenty years of age. Since that time I have been employed at the mines at Wiconisco, Pa. I am now fifty-two years old. My official conduct and character as a man is open to your investigation. If you see fit to support me at the coming election upon the aforesaid principles on which I stand, your support will be kindly appreciated. Yours respectfully, CHAS. H. HARMAN.

TO THE REPUBLICAN ELECTORS OF DAUPHIN COUNTY: I beg to announce myself a candidate for the Republican nomination for the office of Recorder of Deeds of Dauphin County and solicit your support at the Primaries to be held next month.

This announcement is made because of numerous requests made to me recently by patrons of the office who are familiar with the affairs of the office and quite well satisfied with my management. Among these are prominent bankers of the city and county, active real estate men transacting business daily with the office, and many prominent business and professional men.

In making this announcement, permit me to state that I stand on my record for general efficiency in the office, for an economically administered office, for expediting the work of the office and prompt transcribing of instruments, and for making more money for the tax payers than was ever made before, all of which may be readily ascertained from an inspection of the Public Records.

In this connection may I call your attention to the fact that the work of the office has been under my daily supervision and care. The intricate work of the office has been thoroughly mastered by myself and assistants, who have received better wages than was ever before paid, and no patron of the office has lost a single dollar through fault or neglect of the office.

Four years ago, in the largest county of this State, a man was elected to the same office I now hold and on the same ticket on which I was elected and to-day showed political leaders of that county have decreed that he shall be given the Republican nomination without opposition, and believing that the rank and file of the Republican Party of Dauphin County are of the same mind with respect to me, I have consented to again be a candidate. Very sincerely yours, OSCAR G. WICKERSHAM

For County Commissioner Alfred B. Gardner

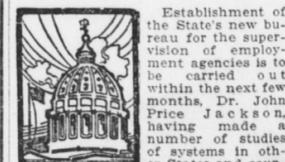

On the Democratic Ticket
If nominated and elected I pledge myself to vote for a reduction of county tax and devote my entire time to the office. I have been a resident of Harrisburg ever since I was seven (7) years of age. Made a success in business thirty (30) years, and promise the same efforts to make a success as a County Commissioner. Should I be a stranger to you I trust you will inquire as to my business ability, also my character as a citizen, and if after due consideration you find me worthy of your vote and influence I will be ever grateful. It would be my pleasure to meet every voter personally and am making every effort to do so. However, should I fail to accomplish this desire, I hope you will not feel offended and that you will give me the same consideration as you would otherwise. Your vote and influence will be greatly appreciated.

PRIMARY ELECTION TUESDAY, SEPTEMBER 21, 1915. GENERAL ELECTION TUESDAY, NOVEMBER 2, 1915.

New Bureau Will Shortly Be Established in the Department of Labor at Capitol

Establishment of the State's new bureau for the supervision of employment agencies is to be carried out within the next few months, Dr. John Price Jackson, having made a number of studies of the employment agencies in other States and countries. The last Legislature provided for a bureau with power to regulate agencies and with powers in regard to co-operation with the federal government on immigration and to aid in providing equitable distribution of labor upon request. State efforts will be made to overcome the difficulties caused by seasonal occupations. In addition the bureau was given certain supervisory powers. The bureau will have headquarters here and the branches will be created as the occasion arises. The whole State has been studied and the condition in each industry ascertained. To Discuss Fish Work.—Superintendent of the State fish hatcheries will have a conference on their work at the Torresdale hatchery in Philadelphia on August 20 at which the plans for the winter work will be outlined and arrangements made for the distribution of young fish. The young trout are now being put out in the neighborhood of hatcheries according to condition of the streams, but no extensive plan will be undertaken until later in the year when the weather will be more favorable. The State has been given assurance of assistance from a number of fishermen's organizations. The fish wardens are at Pleasant Mount to-day for a conference on their line of work.

Big Calendar On.—When the State Water Supply Commission meets next week to take up the Coatesville water works controversy it will also have a big list of applications for approval of bridges. A number of these bridges are county bridges to be replaced or improved after floods this summer.

Data asked has been forthcoming.

At Eaglesmere.—Deputy Attorney General W. H. Keller is at Eaglesmere where he is spending a brief vacation.

Will Open Bids.—The State Army Board has finally approved the plans and has issued the plans for the cavalry armory at Philadelphia and the infantry armory at Washington and bids will be opened on September 6. The awards will be heard at the meeting next week. The commission has suggested that Erie make a comprehensive plan and has offered its help.

Eighth Regiment Orders.—Announcement has been made by the Adjutant General of the commissioning of Dr. J. Markwood Peters as major and surgeon. Captain Abraham Hinch of Company E, Mahanoy City, has been commissioned.

Department Editor.—S. S. Riddle, of Bloomsburg, who has lately been engaged in newspaper work in Philadelphia, was to-day appointed by Commissioner John Price Jackson as department editor. He will have charge of the department publications. Mr. Riddle is expected to come here next week.

Mr. Hiatt Leases House.—James S. Hiatt, private secretary to the Governor, has leased the handsome residence at Twenty-Second and Chestnut streets, in the Bellevue Park section. He will occupy it in a short time.

TO THE ELECTORS OF DAUPHIN COUNTY

I am a candidate for re-election on the Republican ticket for the office of Recorder of Deeds of Dauphin County. I come before you as a candidate and stand upon my record. I believe in a wide open primary, so that every citizen may enjoy the privilege of casting his ballot for the candidate for whom he desires to vote. Four years ago I promised, if elected, to give to the people an economic and business-like administration. I confidently believe I have fulfilled my promise. I have attended every regular and special session held by the Board of Poor Directors for four years. After my election I at once, by and with the consent of the Board, proceeded to inaugurate a new system of bookkeeping. I opened two ledgers, one showing all cash receipts of the income of the department, under dates corresponding with the County Treasurer, showing the date, item and the amount, every deposit being receipted by the County Treasurer; the second showing all moneys paid by parties having friends at the State Insane Asylum, and also those having friends paying boarding at the County Almshouse. It was my ambition to bring order to the department by the use of business, and immediately put into effect a system of buying all merchandise by a competitive system, and thereby saved hundreds of dollars for the county, and I made a special effort for the embellishment of the almshouse, to bring about such environments that will make the county home cheerful and comfortable for the unfortunate inmates in their old age. I also brought to the Poor Department my long experience as a farmer. I was deeply interested in enriching the soil of the county farm, to make a respond, and in maintaining it in a fertile condition, which is now showing up in unparalleled crops of grain, potatoes and truck. I have also stood to have and maintain a good Holstein dairy, so that now the County Home has a dairy that is the pride of the county. If you believe in these policies, I most respectfully solicit your support and influence, and shall be deeply grateful for any efforts in my behalf, and in the event of my election, I will give my personal attention to the office and will strive to promote the department. I am, Yours truly, THOMAS S. MANNING, of Londonderry Township.

I COME before the people as a candidate upon my record as a citizen and business man well known to the people of Dauphin county, pledging a business administration of the office of Recorder of Deeds and Clerk of the Orphans Court in the event of my nomination and election. James E. Lentz Elizabethville, Pa.
