BIRTHDAY FETE FOR A YEAR OLD CHILD

Little Virginia Isabelle Haines Has One Tall Candle on Her Birthday Cake

Little Miss Virginia Isabelle Haines, daughter of Mr. and Mrs. Howard Mitchell Haines, had her first birthday celebration yesterday at Perdix, where her family is spending the summer. Mrs. Haines had an informal program of pleasure for the youngsters and their mothers, including songs by Jack Troup and kindergarten plays. The child received quite a number of gifts and at the birthday supper there was a large cake bearing just one lighted candle.

Lime Against Tuberculosis

In the May 25, 1912, issue of the Journal of the American Medical Association appeared this statement concerning calcium (lime) medication in the treatment of tuberculosis: "Under the systematic, continued and persistent regime of calcium assimilation, Van Gieson has seen a number of his patients improve. The sputum clears up of tubercle bacilli, which finally disappear, and the patients are discharged with healed pulmonary tuberculosis." Ethical journals seldom speak so positively about a remedial agent, yet this testimony coincides with that from many consumptives who have secured like results through the use of Eckman's Alternative. Since calcium is a constituent of this remedy, its healing power may be due to the way this element is so combined with other valuable ingredients as to be easily assimilated. Eckman's Alternative contains no opiates, narcotics or habit-forming drugs, so it is safe to try. From your druggist or direct. Eckman's Laboratory, Philadelphia. Advertisement.

Fort Washington Dances Attract Many Visitors

Proprietor Henry J. MacDonald, of the Fort Washington pavilion, said last evening that many of the Thursday evening dances have been discontinued, the Saturday night dances will be held as usual, with the Updegrave orchestra playing.

Labor Day the Jitney Drivers' Association will hold its first annual picnic at this park, with dancing from 2 to 11 p. m. Several thousand tickets have been sold and many of the families of members will spend the entire day at the park, taking large luncheon baskets. A force of men is preparing the park for the event and arrangements have been made by Mr. MacDonald with the Valley Railway Company for special cars to run during the day. Prizes will be awarded by the committee in charge of the program for events to be announced later.
