Railways Neglected, Only Feature in That Division Being Rock Island

By Associated Press

New York, Aug. 18 .- Speculation in the less prominent war shares and al-lied industrials were renewed in to-day's early trading gains ranging from 1 to over 4 points. Conspicuous fea-tures included American Steel Found-ries Pallway Steel Synings and Allies tures included American Steel Foundries, Railway Steel Springs and Allischalmers issues and Colorado Fuel. Advances of one to two points were scored by Crucible Steel, American Can and a few other equally active issues. U. S. Steel was again in demand at a faction over yesterday's high quotation. Railways were neglected, the only feature in that division being Rock Island which rose over a point.
