tv Over Americans Increases, as Crisis in Turkey Grows More Acute; Arabic Bible Revision

JGLY rumors are seeping out of Turkey concerning the situation of American soutside of Constantinople; and some missionaries have had to leave their stations. Others are being subjected to unprecedented annoyances, and the German Anti-American campaign is being extended to centers of mission work where there are many Americans. The task of succoring the suffering natives grows heavier daily. Meanwhile, despite war's alarms, a notable milestone in missions has been achieved by the completion of the Arabic Bible war's have been irregular, and the censorship strict, news of the founding and the censorship strict, news of the from the founding and the censorship strict, news of the present conditions in Turkey has come to America through various channels. While no American has thus far been killed or seriously injured, many annoyances are reported, including the searching of the persons of American missionaries. Most of them report no mall or papers for weeks or months.

Rheumatism, Gout, Urinary Calculus It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "An-uric," has been discovered by Doctor Pierce, which is thirty-seven times more potent than lithia, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "An-uric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteris, due to the excess of uric acid in the blood and tissues.

Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has—blood.—Advertisement.
