

**Eye Trouble****Marvelous Relief****In Five Minutes**

(In Cases Mentioned Below.)

Astonishing Remedy Acts Almost Like Magic—Physician Tells Readers How To Use It

Did you ever notice a mainspring of a watch; how it bends and the great strain it will stand, but if you put too much strain on it, the spring finally snaps like a dry straw and your watch stops?

When your eyes get tired, sore or inflamed; when your vision becomes blurred, or you have a stinging smarting or gritty sensation in the eyes; or looking at the "movies" gives you a headache, you are putting a greater strain on your eyes than nature intended. If you don't stop it, one day you may wake up with a cataract shutting off your vision, or granulated lids may form, then ulcers and you may lose your sight entirely, or atrophy of the optic nerve may cause blindness.

Don't fool with your eyes.

In bad cases you need a specialist. In all ordinary cases mentioned below, use a few drops of Luxotone once or twice daily. It will make red, inflamed eyes white, clear and bright in five minutes' time.

To one who has never witnessed this astonishing transformation it seems like magic; almost unbelievable. It practically immediately rests, refreshes and tones up tired or weak eyes. It makes them feel just like a long cold drink of pure water makes you feel after you have walked for hours in the boiling hot sun.

It quickly restores impaired vision due to simple inflamed conditions of the eye.

The discovery of one of the ingredients contained in Luxotone has almost revolutionized the treatment of eye troubles mentioned above. It is now widely used by eminent eye specialists everywhere. Luxotone is such a wonderful eye remedy that it should be kept in every home to use after automobile driving or when you use your eyes too much or late at night, or when your eyes become inflamed, or congested from any cause. It is an absolutely safe and most pleasant preparation to employ. I always prescribe it in all ordinary cases of eye trouble that come to me. If you are nervous or run-down you should also take two five grain tablets of nuxated iron three times a day after meals, as this will greatly improve your eyes by quickly increasing your physical and mental power.—E. Sauer, M. D.

NOTE: The publication of the above is authorized by the Public Health Laboratory. It is desired to instruct people how to care for their eyes and prevent in-so-far as possible the alarmingly large number of cases of loss of eyesight that occur every year through carelessness or ignorance. The Luxotone referred to above is carried in stock by Croll Kellier and other leading druggists of our city.

**Directs Engineers to Start Work on the Surveys on the Lincoln Highway at Once**

Chairman William D. B. Ainey, of the Public Service Commission, has lost no time in taking up Governor Brumbaugh's suggestion that the State inaugurate its campaign for elimination of grade crossings by getting rid of the thirty-six on the Lincoln highway. Mr. Ainey as soon as he heard of the Governor's suggestion started things moving and has directed Chief Engineer F. Herbert Snow to make the surveys and to have the data ready for the commission when it meets on September 7.

Mr. Ainey's statement on the matter is as follows: "As a citizen and a member of the Public Service Commission I am much interested in the suggestion of Governor Brumbaugh, published in today's papers, that the historic highway crossing Pennsylvania should be freed from the dangerous grade crossings, which menace the safety of those who travel upon it.

"The Lincoln highway within the borders of our State deserves at the hands of our public the most careful consideration and attention. As a part of a great national highway it appeals to our loftiest pride and demands of us our fullest support and protection.

"Now that Governor Brumbaugh has called the matter to our attention, our duty is clear, and I am sure that every local interest will be united with his desires and with the views of the larger public in an effort to free the Lincoln highway from these impediments to safe travel upon it.

"I shall bring the matter to the attention of the commission at its first session when it reassembles in September, with a recommendation for immediate consideration of the engineering and other problems involved may be had.

"The suggestion is in line with the commission's announced plans and, therefore, I have no hesitancy in saying that definite and prompt action will be taken.

"It may not be amiss to state that since Governor Brumbaugh's statement has been drawn to my attention and in order that no unnecessary delay may ensue, I have directed that appropriate data with respect to the thirty-six crossings at grade over it be secured.

"Dr. F. Herbert Snow, chief of the bureau of engineers, will through his bureau, immediately undertake the field examination and inspection of these crossings and will report thereon after to the commission.

"It is a project in which the entire State is interested, and to Governor Brumbaugh we are indebted for bringing it to our attention."

**DEATH OF J. T. WALTERS**

Special to The Telegraph

Mechanicsburg, Pa., Aug. 23.—Early this morning, J. T. Walters, a West Locust street grocer, died with an attack of nervous indigestion. He was 64 years old and until yesterday was in his usual health. Mr. Walters was a member of St. Paul's Reformed Church and is survived by his wife and three children, as follows: Harry W. and Mrs. Ralph Kutz, both of Carlisle; Mrs. Minnie Low, at home; also three brothers and two sisters. No funeral arrangements were made at this writing.

**MISCHIEF MAKER**

Now Strong and Robust

An adult's food that can save a baby proves itself to be nourishing and easily digested and good for big and little folks. A Brooklyn man says:

"When our baby was about eleven months old he began to grow thin and pale. This was attributed to the heat and the fact that his teeth were coming but, in reality, the poor little thing was starving, his mother's milk not being sufficient nourishment.

"One day after he had cried bitterly for an hour, I suggested that my wife try him on Grape-Nuts. She soaked two teaspoonfuls in half a cup of warm water for 5 or 6 minutes. Then poured off the liquid and to it added a like amount of rich milk and a little sugar. This baby ate ravenously.

"It was not many days before he forgot all about being nursed, and has since lived almost exclusively on Grape-Nuts. To-day the boy is strong and robust, and as cute a mischief-maker as a thirteen months old baby is expected to be.

"Use this letter any way you wish, for my wife and I can never praise Grape-Nuts enough after the brightness it has brought to our household."

"Grape-Nuts is not made for a baby food, but experience with thousands of babies shows it to be among the best, if not entirely the best in use. Being a scientific preparation of Nature's grains it is equally effective as a body and brain builder for grown-ups.

**Dies From Effects of Bullet Wound in Head Received 12 Years Ago**

Suffering for twelve years from a bullet wound in his head caused by an accident, Claude Reede, of Millersburg, died yesterday morning at 3:30 o'clock in the Harrisburg hospital, about sixteen hours after he had been admitted.

Reede, many years ago was accidentally shot, a bullet entering his head. About five months ago, according to hospital authorities, he went to Philadelphia and had the bullet removed. Reede never fully recovered from the operation, and Saturday was brought here from Millersburg, and was admitted to the local hospital at noon in an unconscious condition.

Physicians entertained no hopes for his recovery and Reede died without regaining consciousness. He was formerly an employee of the Millersburg Shoe Factory. The body was shipped to Millersburg this morning where funeral arrangements will probably be held on Wednesday.

**Open Bids For \$100,000 Worth of City Improvement Bonds Monday, August 30**

Bids for the purchase of \$100,000 worth of city public improvement bonds—all that remain of the \$300,000 authorized by the people in 1913—will be opened by City Commissioner W. L. Gorgas, superintendent of finance and accounts, at 3 o'clock next Monday, August 30.

Just \$10,000 of the big loan has been issued. An additional sixty thousand will be taken up by purchasing water department sinking funds to that amount, which leaves the remaining \$100,000 to be sold to the highest bidder.

The bonds will bear 4 per cent interest and will be dated September 1, 1915. They will consist of ten series arranged from "Q" to "Z". Series "Q" will mature March 1, 1935. This will be for \$10,000 and each year thereafter a series of \$10,000 will be redeemable. Interest will be payable in March and September of each year. The bonds will be ready for delivery about September 1.

Commissioner Gorgas said to-day that he did not doubt what the whole issue would be purchased by local banks as in the past. The money will be needed to complete the improvement of the parks and playgrounds, build the proposed public comfort station, and purchase additional fire apparatus.

**WAR VETERAN STRICKEN**

John Bernheisel, a member of Post 58, G. A. R., became seriously ill this morning while standing at the corner of Third and Pine streets. He was first taken to the Post rooms in North Third street, but a physician who was called ordered him to be taken to the Harrisburg hospital. The doctors could not diagnose the case immediately so Bernheisel was admitted.

**ITALIANS EVACUATE PELAGOSA**

**PLUNGES OFF WALNUT STREET BRIDGE**

George Swartz, of South Harrisburg, aged 18, gave an exhibition of high diving Saturday evening. Swartz plunged several times from the Walnut street bridge into the river.

**ROB WALLACE STREET HOUSE**

Thieves entering the home of Jos. Wolfe, of 1230 Wallace street, through a rear door Saturday night, while the family was away, stole a number of articles, including several pieces of jewelry. Neighbors heard the noise but by the time an officer had been called the thieves had escaped.

**HORTON BOY STILL MISSING**

Mr. and Mrs. I. N. Horton, of Enola, have asked the Harrisburg police to look for their son, Clarence, aged 14, who has been missing from his home for three weeks. The missing boy is a brother of Norman Horton, who was drowned in the Enola Reservoir last Sunday. Police departments of other cities have been notified to be on the lookout for the boy.

**CHILD PAINFULLY BURNED**

Painfully burned about the chest neck and arms, little Lilla May, 20 Schaffer alley, is in the Harrisburg Hospital in a serious condition. The child was playing yesterday and in the absence of her mother tipped over a bucket of boiling water.

**BRIDGE WORKMAN BURNED**

Walter Vandenberg, Penn street, Fenbrook, employed by the Robert Grayson Construction Company, while working yesterday on the New Cumberland Valley Railroad bridge across the river, was severely burned on the right arm. He was treated at the Harrisburg Hospital.

**Harrisburg will soon have****The Largest Ready-to-Wear Department Store**

in this section of Pennsylvania

MR. DAVID KAUFMAN

The Man Who Made Market Square a Shopping Centre

**TO THE PUBLIC:**

My main idea in planning and building the New Store was to give you a store that you could feel was your store in every sense.

Your constant support of the Kaufman Store before the unfortunate fire and your steadfast loyalty during our stay in the smaller and temporary quarters encouraged me to give you the largest and best ready-to-wear department store in this section.

I most sincerely feel and want you to understand that it was only through your support of the Kaufman Store that it has grown to be the store it is to-day.

I want the New and Bigger Kaufman Store to stand as an achievement and lasting sign of Harrisburg's progress.

And above all I shall continue to uphold the Underselling Policy and give you the Latest and Most Dependable garments at the same Moderate Prices that have made Kaufman's Underselling Store famous for miles around.

The stocks and assortments in the New and Bigger Store will be many times larger than ever before and I want you to feel it more and more your store than ever.

All the Comforts, Conveniences and Good Service will be yours at all times and I want you to take advantage of them.

This little message is but a small expression of my appreciation of your confidence.

August 23rd, 1915.
