BOXING PROMOTERS PLAN ORGANIZATION

All Fighters Must Defend Title Once Every Six Months; Change in Weights

Cleveland, Ohio, Aug. 24.—Organization of the boxing game is the plan of the National Boxing Association, which adjourned here yesterday after a two-day deliberation. It is proposed to bring boxing up to a standard that will permit no faking and bring boxing laws in every State.

It was also decided to recommend a new set of ring weights to be acted upon by the board of governors of the new association. As this board is made up of one man from each club, it is thought they will be adopted. The new set would make the bantam-weight figure at 118; feather, 125; lightweight, 135; welterweight, 147; and middleweight, 160. The light heavyweight will be 175.

With a view to enlisting the support of New York ring promoters, it was decided to send a delegation to the Gibbons-McFarland fight, September 11, and talk it over with the big fellows.

An election of officers was held and these members were chosen: Matt J. Hinkel, Cleveland, president; Gene Melady, of Omaha, secretary-treasurer, and Harry Edwards, Philadelphia, vice-president.

Catcher Heckinger Back; Local Fans Are Jubilant

Harrisburg baseball fans are happy again for the star catcher of the Indians, Michael Vincent Heckinger.

Heckinger is rated as the best catcher in the International League and Harrisburg fans will agree with the dopesters as Mike has been going at a splendid clip and his hitting has helped to bring many a game to Eddie Zimmerman's men. Heck's smile and his constant urging will win a pitcher to just go along in the way the big catcher desires and he is enabled to get the best work out of the twirlers by his steady persistence.

Heckinger was born in Chicago in 1890 and has never been able to get away from the Windy City as an abiding place. He attended St. Ignatius College at Chicago and caught for a crack nine of the college. In 1910 he had his first professional baseball experience with the Des Moines, Iowa and the Port Wayne, Ind., clubs. In 1911 he played with the famous Logan Square Club of Chicago when Jimmy Callahan was manager. In 1912 he went to the Racine, Wis., club and was bought by the Chicago Nationals. During the 1913 season Heckinger figured in a deal which sent him to Brooklyn in the National League and in 1914 he was with the Newark club.

Heckinger is interested with his father in a large office and bank equipment store in Chicago.

ACHIEVEMENT IS WINNER

Achievement was the last to get away, but he went through to a contending position in the first furlong, and he held the lead until he was won by a fair margin.

ZIMMERMAN DAY IS WEDNESDAY PROGRAM

Local Fans Plan Big Day at Island Park; Double-Header With Buffalo

"Eddie Zimmerman Day" will be observed to-morrow at Island Park. Another doubleheader will be played with Buffalo, and will end the Bleans' series here. Baseball fans have been talking about to-morrow's event for some time and it looks like a big crowd.

Just what will happen during the games is a secret. Manager Eddie Zimmerman is a popular boy. York sent a large crowd of rooters here to show how much they like him, and Harrisburg fans want to give evidence of his popularity in this city by turning out to-morrow.

While nothing officially has been announced it is understood that a number of local merchants have planned a half holiday to-morrow afternoon. Those desiring to contribute to to-morrow's success can do so by calling any of the local sporting writers.

The schedule to-day called for a doubleheader with Buffalo. The Bleans captured yesterday's game through timely hitting. It was Gaw's first real victory and he was in control most of the time. Lee was touched up hard in two innings. The score of yesterday follows:
