SUMMER COLDS

Summer colds are the result of lowered vitality. If neglected, they are apt to develop into chronic lung trouble and long-standing coughs, asthma or catarrh. Treat them promptly and in the natural way by using Father John's Medicine, which has a history of 50 years of success in the treatment of coughs, colds and all throat and lung troubles, as well as a tonic and body builder for those who are weak and run down.

Chicken and Waffle Supper
