CUNNINGHAM TO HELP TWO BOROUGHS

Highway Commissioner Agrees to Assist in Improvement of Center and Berks Roads

Steps for road improvement in two counties did not apply for State aid in the construction of highways, State Highway Commissioner Cunningham told a delegation from Birdsboro that he would enter into an agreement with them to do State aid work in their borough. Tests are to be made by State highway engineers to ascertain whether or not the cinder base on route 147, running through the borough, will be stable enough to bear the construction of a concrete road. The borough of Birdsboro has agreed to pay 50 per cent. of the cost of construction, the remaining balance being paid by the State. The delegation which visited the commissioner consisted of Burgess George Hetrich, Sempel Ward, Edward Mohr and G. W. Focht.

"THE HOUSE OF THE LOST COURT" AT THE REGENT

Today and to-morrow "The House of the Lost Court" featuring Viola Dana, in five parts will be shown at the Regent. This is a dramatic adaptation from the novel by Mrs. C. N. Williamson. Sir Anthony Elliott, an aristocrat, is secretly engaged to Elinore Vane. At the same time that Anthony gets a letter from his brother Paul, that he is coming to London for a visit, Elinore gets word that her friend Nina is to pay her a visit. While the four are out on a moorland-climbing trip, Anthony rescues Nina, who has fallen over a cliff and caught in a protruding snag. In consequence of the rescue, a strong friendship is engendered between Nina and Anthony. On the other hand, as with a friendship has arisen between Elinore and Paul, much to Anthony's discomfort. Upon questioning her as to whether she has told Paul of her engagement to his brother, Elinore tells Anthony that she has not mentioned it to him. Rather than cause a breach in the family, Anthony countenances the love affair of Paul and Elinore, and they are married. In addition to our regular feature, we show home-made pictures taken at Hershey Park of Dives, Pomeroy & Stewart's picnic, given for their employees.

Peace Must Be Lasting Says German Socialists

Berlin, Aug. 25.—The Socialist newspaper publishes the results of conferences held by the Reichstag members and members of the party committee concerning the Socialists' peace aims and summarize these aims as follows: Peace must be a permanent one leading the European nations to closer relations. Germany's opponents must not be permitted to acquire any German territory. "Most favored nation" clauses should be introduced into peace treaties with all belligerents. Tariff walls should be removed. So far as possible freedom of the seas should be established, the right of capture abolished and "narrow" imports for the world's commerce should be internationalized. Austria and Turkey must not be weakened. Annexations of foreign territories violate the rights of peoples to self rule and weaken internal strength and harmony of the German nation; therefore "we oppose all plans of this sort of short-sighted politicians favoring conquest." Finally the party demands the establishment of an international court to which all future conflicts of nations may be submitted.

Bulk of War Orders in U. S. Shipped in June

Washington, D. C., Aug. 25.—That a great part of Europe's enormous orders for 7mm ammunition did not begin to move from the United States until comparatively recently was indicated by export figures issued today by the Department of Commerce. The statistics, covering the twelve months ending with June, show that while exports of war supplies increased tremendously over the preceding year, the greater part of the increase—in some cases from one-fifth to one-third of the entire year's exports—left the United States in June. The twelve months period showed exports of explosives valued at \$41,476,188 as against \$6,272,197 the preceding year. More than one-fourth of that total \$11,859,744 was shipped during June. Gunpowder showed exports of \$3,234,549 in June compared with \$5,091,542 for the year.

Newsboy Hero Is Lauded By Many Prominent Men at Medal Presentation

Members of the Harrisburg Newsboys' Association in their rooms last night with a number of prominent men of the city as guests formally gave Samuel Sherman a medal for saving his hum, Charles Emanuel, from drowning early this summer. Mayor Royal presided, and after a short address in which he praised the newsboy, the medal was given to Sherman amid much applause. Rabbi Leon Albus also praised the bravery of the boy. Among the others who spoke were Park Commissioner M. Harvey Taylor, Leon Lowengard and the Rev. E. P. Robinson. Sammy was almost speechless from panic and blurted out a "Thank you," after he received his medal. Mayor Royal came to his rescue and called on the newsboys to make speeches. President Wagner Hoffman, however, had to add his persuasive powers before the boys arose, then fully a half dozen members gave short talks.

Elks' Baseball Team Is Out After More Scalps

C. H. Sigler, manager of the baseball team of the Elks, has issued the following statement: "Two scalps will be hanging in the clubrooms shortly: Wilkes-Barre and Sunbury. Our baseball team plays at Sunbury on September 6 (Labor Day) and at Wilkes-Barre, September 25. Sunbury plays here on the International field, September 11, and Wilkes-Barre, September 18."

What Causes Tuberculosis?

In the opinion of many medical authorities, tuberculosis is aided, if not actually caused, by a loss of lime from the system. "Where there is a decalcification, the lime salts must be supplied medicinally," says Dr. J. W. Eckman, of San Antonio, in the May, 1913, issue of "Medical Progress."

To supply these salts often is difficult, since in some forms they are not easily assimilable.

In Eckman's Alternative, however, calcium (lime) is combined with other valuable ingredients as to be assimilated by the average person and to this, in part, is due its success.

We make no boastful claims, but many cases of tuberculosis apparently have yielded to it. It contains no opiates, narcotics or habit-forming drugs, so is safe to try. From your druggist or direct.

EMPEROR MAKES PROMISE

London, Aug. 25.—The Times' Sofia correspondent in a belated dispatch describes how the German emperor sent an autograph letter to King Ferdinand of Bulgaria in which the emperor emphasized the sympathy he now felt for Bulgaria. The emperor is quoted as saying he regarded the Bulgarian nation as the most vigorous of the Balkan nations, as expressing the hope that the bonds connecting Germany and Bulgaria would be strengthened and as promising Bulgaria the energetic support of Germany in the future.
