Hosts of Visitors Help Make Camp Life Along the Juniata Merry

The Hick-a-Thrift Class of the Pine Street Presbyterian Church Sunday School is camping in the grove along the Juniata river about one-half mile from Millerstown.

The grove is a beautiful spot at the entrance to the narrows. The famous Tuscarora Gap lies just beyond the camp. This gap is a narrow opening in the mountain ridge through which the highway, the old canal, the blue Juniata river and the Juniata railroad pass.
