NEW BASEBALL RECORDS

Special to The Telegraph

Chicago, Ill., Aug. 27. — A'new world's record for consecutive innings played in three consecutive games by two clubs was established here yesterday, when the Chicago White Sox and the Washington Senators battled 13 innings, the latter winning, 2 to 1. Incidentally it was the fourth straight extra innings game played by Chicago, making a total of 89 innings total of 89 innings played in six days. On two of the six days double-headers were played. The visitors were handed the game by the locals after one of the most interesting pitching duels seen here this season between Boehling and Russell.

Four Games With Montreal; Billy Clymer's Toronto Team Close on Harrisburg's Heels

Harrisburg's position at the wind-up of the International race is dependent upon victories over Montreal and Toronto. The Montreal Royals opened a four-game series at Island Park this afternoon. Toronto, who is close on the heels of Harrisburg, is here next week.

The Indians cannot afford to lose any games to Montreal and remain in the first division. Toronto has been showing a stride of late that means something. Billy Clymer is anxious to land the Maple Leaves in the first division.

This is also "ladies" day" at the Island Park and with a half-holiday in the local stores a big crowd is anticipated. Manager Eddie Zimmerman hoped to have his regular line-up working. Al Schacht, Lee and Goodbred and Enzmann have been showing form even if they did lose. The fault has not been with the pitchers.
