### St. Louis Printers Win League Championship

SATURDAY EVENING,

feating Indianapolis yesterday in a sensational game, Washington threw the second game away to St. Louis in the weirdest game of the tournament, and the Missourians carried off the championship in the Union Printers' National Baseball League.

Washington and Indianapolis drew the assignment in the first game, St. Louis getting the bye and meeting the winner. The lads from the District of Columbia, by a two-run raily in the ninth inning, defeated the Hoosiers and went back at St. Louis in the district of the team simply went to pieces during the internission, and St. Louis walked away with the victory. Scores, to 1 and 22 to 14.

In the deciding game Washington made fifteen errors, every one of which figured in the runmaking for St. Louis. Each team made fifteen hits, but with clean fielding St. Louis would have been beaten and Washington would now be the champions. It was the first championship St. Louis has won.

### Philadelphia Soldier Captures State Honors

Mount Gretna, Pa., Aug. 28.—The 1915 Pennsylvania military champion rific shot is Private Tennyson C. Haagen, Company L, Third Infantry, Philadelphia, who yesterday morning won the Governor's medal match with a score of 306 out of a possible 325 points. The honor, with its gold medal and letter of congratulation, both from Governor Brumbaugh, came to Haagen only after he had outshot a field of State experts whose original number of 59 was cut to 30 for the final stage at 1,000 yards.

Corporal Bomer, Tenth Infantry, was always a close contender, losing by two points, while Private Van Amburgh, Second Infantry, who won the Junior State championship last week, finished in third place.

Private Haagen has been coming to the State range for three years, one as a junior and two as a senior rifeman, and has also shot at Sea Girt. In civil life he is in charge of the Aldine Riding Academy, Philadelphia.

Scores by Harrisburg shooters follow: Corporal Gerdes, Eighth Regiment, 293; Sergeant Hiester, cavalry, 253.

Chicago, Ill., Aug. 28.—The National League has only eight batters in the 300 class, according to averages published here to-day. ## BIG LEAGUERS FIGHTING FOR FLAG

WILBERT ROBINSON-BROOKLYN HUGHEY JENNINGS-DETROTT.

Pat Moran, manager of the rejuvenated Phillies of the National League, is certain he will win the pennant. But he is no more confident than is Wilbert Robinson, manager of Brooklyn. Bill Carrigan, manager of the Boston Red Sox of the American League, is not a bit more confident than is Hugh Jennings of Detroit. Baseball experts figure that the fight in the two leagues is between these clubs. The Boston Braves may come fast in the latter end of the season as they did last year, but they are not in the same condition. The Chicago White Sox also have hopes, but many of their partisans fear the team has shown its best for the season.

The New York management is very much interested in the Harrisburg game and Manager Donovan has promised to send the regular club to this city, the contract calling for the playing of all regulars in the game in this city. The New York club is on its way from Detroit to Washington and the entire squad will stop over in this city.

The Yankees are led this year by "Wild Bill" Donovan who at one time was the star twirler of the Detroit club. With the club will be Bob Shawkey, the big pitcher who started his professional career under George Cockill at Harrisburg several years ago.

On Tuesday and Wednesday the Indians will play doubleheaders with Toronto and if the Canadian management induces Rube Marquard to join their club Harrisburg fans will have the first chance to see the former (fiant in action.

The game yesterday was to some extend disappointing to local fans. The work of the locals in the first contest was indifferent at times. The second game was a pitchers' battle. Harrisburg lacked the "pep" that has made the Indians popular here. The score:

Staff of Star Twirlers

The Yankees have a great staff of twirlers including Caldwell, Fisher, King Cole, Keating, Brown, Shawkey, and others while the star is Third-baseman Maisel, a brother of George Maisel, the former Harrisburg outfielder who this season has been purchased by the Detroit club from Scranton. Maisel is a hitting fielding wonder and is said to be a second. Ty Cobb on the base paths.

Nunamaker and Alexander are the leading backstops of the club while the infield finds Pipp on first, Boone on second, Peckingpaugh on short and Maisel on third. In the outfield High, Cook, Martzell and Shelton are the leaders with Birdie Cree, the former Williamsport player being used for utility purposes.

Game Starts Early

The great exhibition game will start at 3 o'clock instead of regular 3.15 starting time in order to allow all those who have a chance to get away from their offices a trifle early a chance to see the full game.

Manager Zimmerman will put forth his best efforts to win the game and it is likely that Al Schacht will be selected to twirl against the big leaguers.
