### SWEDISH ARMY DEVELOPED

London.—The Swedish army has been considerably developed since the beginning of the European war, according to a correspondent of the Exchange Telegraph Company. It is officially announced that Sweden now has 350,000 regulars and 175,000 land-sturmtruppen. Supplies of ammunition and war material have been brought up to date and the Swedish military writers state that the army has never before stood at such a high point of efficiency. Five thousand new officers and non-commissioned officers have been appointed and all old soldiers have been trained for a course of supplemental training.

### Select Suitable Lumber

Before buying lumber it is advisable to tell your lumber merchant the purpose for which it is intended.

No one kind of lumber is adapted for all purposes.

Certain woods are well suited to interior use, but are wholly unsuited to exposure to the weather.

We shall be glad to tell you the best kind to use.
