the pure manure. It is the Greatest
Fertilizer for all crops. Nature's
own way. It feeds the crop with
just exactly what it needs, and
builds up the soil for the next crop.
No matter what kind of soil you

you soil chemically, and then apply
the mixture needed; guessing won't
do. But Wizard Brand Sheep Manure is Nature's way. Use it for
your wheat this Fall and have a
better and bigger crop.

## Aunt Este's Stories For Children

THE ADVENTURES OF FAIRY SILVERWINGS

When the child was through pleading for Silverwings, dears-She saw rolling down o'er the King's face real tears. Then he blew a strong blast on a Fairy King Horn-And said in a tone gruff and stern-"Now be gone. How dare you plead for that bad Silverwings! But, Fairies, when you take her back, kindly bring The bad miss along home and bring her to me-We'll see what she'll promise—we'll see, yes, we'll see. If I see she's repentant and wants to be good, (I know if she tried to be good why she could): I'll give her her place once more at my table, And make her real happy-I'll try if I'm able To make her forget all the terrible pain She has suffered on earth-make her happy again. Be gone, now my child, and be gone Fairy host-Bring Silverwings back-the little scared ghost."

Down, down, down from their home twixt the sky And the earth, the Fairy messengers started to fly; Bearing the child on their wings through the air, Carrying her tenderly, with greatest care. At last they alighted right close to the place . Where Silverwings sat aholding her face In her hands. She was weeping and praying: "Oh King, why will you keep me staying So very much longer down here upon earth-The winter is coming-soon there'll be a dearth Of flowers and sun-it is cold the folks say." Just then voices she knew said: "We'll bear you away Dear Silverwings-our good King has relented, And if you have really and truly repented He'll welcome you home-and would you know why? This child plead for you-and made the King cry."

As Silverwings rose with the fairies of light,
The child in the meadow saw a great light,
And heard sweet sounds floating down from on high—
"Child, keep your sweet faith in unseen things, goodby!"
The end of the Adventures of Fairy Silverwings.
