REILY COMPANY IN LEWISTOWN PARADE

Firemen's Field Day Celebrated at Juniata Valley Town on Saturday

Special to The Telegraph
Lewistown, Pa., Sept. 6.—Never before in the history of Lewistown, did this pretty little town in the Juniata Valley witness such a demonstration as was celebrated here on Saturday, when the volunteer firemen held their annual field day. The Henderson, the oldest company in the town, which has rendered service for over half a century, and four other companies, the Fame, the Brooklyn, the City Company and the Junction Company No. 5, comprise the department. Streets were lined with citizens and visitors from this and surrounding counties. At 9 o'clock the parade formed in Monumental Square and at 10:30 moved over the principal streets of the town.

The morning parade was led by the Reily Hosiery Company of Harrisburg, Pa. One feature that attracted attention was the recently appointed fire engine in uniform. After the parade the visiting firemen and their families were dined at the local hose houses. In the afternoon the sporting events were pulled off in Market street. They consisted of truck races, pushmobile race for boys, plug contests, 220-yard relay race, 110-yard dash and old men's race for men over 50 years of age, a number of silver cups were awarded for the winning of these events.

In the evening the parade of several hundred handsomely decorated automobiles was the finest turnout of the kind ever seen here; band concerts in the principal streets of the town, a fire works display from the big hill north of town and a dazzling parade completed the celebration.

The auto hose truck race was won by the Brooklyn Fire Company.

NEWPORT GUN THIEF ROBS AMBLER COUPLE

By Associated Press

Newport, R. I., Sept. 6.—A sneak thief entered the summer home, in Beth road and Cliff avenue, of Dr. and Mrs. Richard V. Mattison, of Amherst, Pa., last night and stole jewelry valued at fully \$4000.

The thief evidently worked while the family was at dinner. A maid, Martha Eason, heard noises on the stairs leading to the second floor and as she opened it, saw a stranger walking up. He aimed a revolver at the maid's head and said: "Scream, and I'll blow your head off!" The maid stood still while the thief escaped.

RAIDERS SPARE TEXAN ON YOUNG SONS' PLEAS

By Associated Press

Victoria, Tex., Sept. 6.—The story of how the pleading of his two small sons saved the life of Deputy Sheriff Frederico Seans, of Hidalgo County, was told in a letter received here today from the deputy by his brother Henry.

Seans had been warned that the robbers were marching toward his ranch, and so turned his horses out on the range, fearing that the animals would be stolen. When the Mexicans arrived and found the horses gone they shouted with rage and voted to shoot Seans.

"Don't shoot my daddy!" pleaded Seans' small sons as they clung to their father. The bandit leader gruffly ordered his men to "march on." The Seans household was left in peace.

Big Night School Opening Monday Evening Sept. 6th

Our Night School will open Monday evening with a splendid enrollment. You can avail yourself of the opportunity to learn shorthand and Typewriting, or Bookkeeping. Expert instruction in Penmanship will be given to those desiring it, with either course, without additional cost.

Just What You Want
We have arranged a course in English consisting of Spelling, Arithmetic, English and Penmanship. There are many young people, whose education has been more or less neglected, who will avail themselves of this splendid opportunity to get a better knowledge of these subjects. Our night students are employed during the day, consequently they are earning while they're learning.

How to Save Money
You earn, learn and save money while taking a night course. Instead of following places of amusement to while away the time, you improve your education and save money.

Night students will be admitted Monday, September 6th, and Wednesday evening, September 8th; thereafter, Monday evenings only.

The school is in session Monday, Wednesday and Friday evenings from 7:15 to 9:15.

GALVESTON SEA WALL HOLDS AGAINST STORM

WHEN Galveston was at the mercy of another great tropical gale, when ships were being blown ashore and all communication with the mainland was cut off, the question everywhere was: Will the concrete sea-wall, erected to insure Galveston from destruction, stand the brunt of the storm as it did in 1909?

Newspaper headlines and dispatches tell the story. Once more the great wall, in which were used 28,500 barrels of

ALPHA THE GUARANTEED PORTLAND CEMENT

stood the lashing and the battering of the gale, and is credited with having saved Galveston.

ALPHA CEMENT has been used in a large number of constructions where concrete had to meet unusual conditions and cement of the highest grade was required. ALPHA CEMENT represents 24 years of experience in cement-making and is tested by expert chemists every hour, day and night, during its manufacture. Every bag of ALPHA you buy is sure to be as good as that used in building the Galveston Sea Wall. The six great ALPHA plants have a daily capacity of twenty-five thousand barrels.

Ask the ALPHA Dealer in your community or write us for the valuable free illustrated handbook, "ALPHA CEMENT—How to Use It." It tells and shows how to make scores of improvements.
