

How To Make Straight Hair Curly

(Society Talk.)
To make straight hair nice and curly in one night by merely applying plain liquid silmerine—that's one of the best beauty secrets that has leaked out in a long time. Some peculiar property of this harmless fluid causes the hair to dry in just the prettiest, most natural-looking curls and creases imaginable. It is valuable as a dressing also, as it puts new life and luster into dead-looking hair.
This means that the singeing, drying, curling iron can now be dispensed with forever! A few ounces of the liquid silmerine, which may be found in any drug store, will keep the hair in wave for weeks. It is neither sticky nor greasy and is really quite an agreeable thing to use. It can be applied with a clean tooth brush before retiring—and the transformation will afford a most pleasant surprise in the morning. Advertisement.

FARMERS!
Give Your Wheat Fields What They Need to Make the Wheat Grow. What Is It?

WIZARD BRAND PULVERIZED SHEEP MANURE

The Food That Patters The Wheat Heads
Wizard Brand is 100 per cent pure Sheep Manure, no filler, nothing but the pure manure. It is the greatest fertilizer for all crops. Nature's own way. It feeds the crop with just exactly what it needs, and builds up the soil for the next crop. No matter what kind of soil you have or what its condition, the Sheep Manure will enrich it. This is not so with artificial or manufactured fertilizer. You must first analyze your soil chemically, and then apply the mixture needed, guessing won't do. But Wizard Brand Sheep Manure is Nature's way. Use it for your wheat this Fall and have a better and bigger crop.
Drill or broadcast from 200 to 500 pounds to the acre—1,000 pounds won't hurt; one bag is equal to a wagon load of barnyard manure. Wizard Brand has no seeds—it is put through a heating and drying process of 2,000 degrees, which would destroy all possibility of any seed germinating, if it was in it.
Use it for all crops. It is cheaper and better than commercial fertilizer. Order it now. Do not wait until ready for it.
Prices: 1 to 10 tons, \$25 per ton; half ton, \$14; 500 lbs., \$9; 200 lbs., \$4; 100 lbs., \$2.

MISS ELEANOR BOYD MARRIES JOHN COLT

Bridegroom's Father to Officiate at Service at Oakleigh, the Boyd Country Place

The marriage of Miss Eleanor Gilmore Boyd, daughter of Mrs. John Yeomans Boyd, of this city, and John Milton Colt, of Baltimore, has been arranged to take place this afternoon at 4 o'clock at "Oakleigh," the Boyd's country place, in the presence of relatives and a few intimate friends. Owing to the serious illness of the bridegroom's sister, Miss Mary Colt, who was to be a member of the bridal party, plans may be changed at the last minute.

The house decorations are most elaborate, a color scheme of yellow and white prevailing, with masses of chrysanthemums in the flowers. A stringed orchestra will furnish the music.

The bridegroom's father, the Rev. Don S. Colt, of Baltimore, will perform the ceremony, assisted by the Rev. Dr. Lewis S. Mudge, pastor of the Pine Street Presbyterian Church of this city.

The bride, who will be given in marriage by her brother, James Boyd, will wear the traditional white satin and orange blossoms. She will be attended by her sister, Miss Louise Yeomans Boyd, as maid of honor and the following bridesmaids: Miss Dorothy House, of Duluth, Minn.; Miss Mary V. Frowbridge, of New Haven, Conn.; Miss Margaret Cutler, of New York City; Miss Sarah Hastings, of Bellefonte, and Miss Elizabeth Bailey, of this city. The bridesmaids will be attired in frocks of yellow chiffon with touches of blue and wear picture hats of yellow tulle.

The best man will be Allen Dulles, of Auburn, N. Y., a nephew of Secretary of State Robert Lansing; and the ushers include: John Hughes, of New York City; Weir Stewart, of Auburn, N. Y.; Julius Adler, of New York City; Donald McPherson, of Lakewood, N. J.; David Fleming, Jr., and Jackson Herr Boyd, of this city.

The young couple will make their home in New York City, where Mr. Colt, a Princeton alumnus, is located for the present.
