By Associated Press

New York, Sept. 8 .- Manipulation of war shares was the feature of to-day's early trading. General Motors Ribs — October, \$8.15; January, \$8.35. day's early trading. General Motors made an initial gain of 3 points to 253 and Crucible Steel rose 1% to 86, with gains of a point in others of that group. Tennessee Copper was the only metal issue to record a gain, advancing 2½ to 57½. Railways were irregular, Reading's advance of a point tregular, Reading's advance of a point to 151% soon being lost. Rock Island was heavy, losing 1% to 18%, probably as a result of the withdrawal of an important interest from further connection with the property. The local market derived no encouragement from London, where Americans manifested further weakness.
