## STEELTON MIDDLETOWN ENIGHSPIRES

## OWNER THINKS EARLY | HENDERSON RECEIVES FIRE INCENDIARISM PROMISES OF SUPPORT

Blaze Destroys Harry J. Cramer's Highway Committee Chairman Is Storehouse at Frederick and Franklin Streets

Fire starting shortly before 2 o'clock this morning completely destroyed the storehouse of Harry J. Cramer, at Frederick and Franklin streets.

The blaze was discovered by several men returning home late. They sent in an alarm from Box 52, Frnot and in an alarm from Box 52, Frnot and Franklin streets, to which the district companies responded. The loss according to Mr. Cramer, of 264 Front street, will total \$200. It is not covered by insurance. The storehouse contained highly inflammable materials including large rolls of tar paper, pitch, and a large quantity of slate which was ruined by the heat. Mr. Cramer believes that the blaze was started from incendiary origin and not by a crowd of tramps, as is thought by Fire Chief Shupp. The cause is being investigated. No definite reason would be given by Mr. Cramer as to why he thought the place might have been set on fire.
