DERRY STREET CHOIR BANQUET AT HERSHEY

Singers Told Devil Puts His Best Foot Forward in the Church Choir Loft

As guests of the official board of the church the Derry Street United Brethren choir enjoyed its annual banquet at the Hershey cafe, Hershey, last night.

Five big seven-passenger cars, donated by members of the church, took the singers to the chocolate town at 7.30 o'clock. Following the repast addresses were made by Charles Mackey, organist; Earle E. Renn, director of music; the Rev. J. A. Lyter, D. D., pastor of the church; Samuel T. Clark, of Hershey, and J. E. Gipple, clerk-master. Mr. Mackey, who only recently returned from Germany, where he studied for three years under the masters of the Royal Academy of Music in Berlin, entertained the guests with piano selections.

Samuel Clark, a prominent United Brethren churchman of Hershey, a former member of Derry Street Church, declared in his toast that the music is one of the most, if not the most, important ends of any church service. He declared that the reason so many church choirs are in a continual state of quarreling and turmoil is that the devil puts his best foot forth in the choir's corner. "The devil knows," said Mr. Clark, "that if he can disrupt the music of the church, he has the church by the throat. So he stirs up his brimstone in the choir loft and too often gets the very result for which he seeks." He urged the importance of co-operation with the pastor of the church in order to effect the best results.

The guests included Mr. and Mrs. John E. Gipple, Mr. and Mrs. Samuel T. Clark, Dr. and Mrs. J. A. Lyter, Mr. and Mrs. William Runke, Mrs. E. S. Nissley, Mr. and Mrs. Howard Gensler, Misses Mabel Bright, Helen Bright, Stella Ulrich, Sylvia Mathias, Miriam Carl and Mary Hench, Harry Marks, Elmer Finkenbinder, Ralph Manley, Thomas B. Lyter, C. L. Shepley, O. P. Beckley, Walter Manley, Earle E. Renn, Charles Mackey, William Heflinger, R. L. Darr, W. G. Starry, Ross Harman and William E. Koon.

AIDS TO DIGESTION

Whatever improves bodily conditions in general aids digestion. Cheerfulness, exercise, fresh air, baths and good habits make your digestion better able to take care of any burdens you impose upon it. But the greatest aid to good digestion is good blood. Anemia, or thin blood, is a common cause of indigestion. Normal action of the stomach is impossible without healthy, well-oxygenated blood.

Dyspepsia which does not yield to ordinary treatment may be quickly corrected when the blood is enriched. Many people have secured relief from chronic forms of indigestion by the use of Dr. Williams' Pink Pills which make the blood rich and red, capable of carrying an increased amount of oxygen, the great supporter of human life.

Have you ever seriously considered giving Dr. Williams' Pink Pills a trial to tone up your digestion, increase your vitality and make life better worth living. If your blood is thin and your digestion weak you certainly need them. Send for a diet book. It is free and will help you decide.

Your own druggist sells Dr. Williams' Pink Pills or they will be mailed postpaid on receipt of price, 50 cents per box, six boxes \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.—Advertisement.
