In Statement German Ambassador Resents Charges Made Against Him

DID NOT BELIEVE HIMSELF COMMITTEEMEN ARE BUSY

Declares Repetition of Statement Complete Program of Events Will He Made in Washington Is Necessary

By Associated Press
New York, Sept. 11. — Count Von
Bernstorff, the German ambassador, emphatically denied to-day that he had used or attempted to use James F. J. Archibald, the American mes-

F. J. Archibald, the American messenger of Dr. Constantin T. Dumba, Austrian ambassador as a messagebearer to Berlin.
"In view of the repeated assertions by several newspapers that I sent messages to my government by Mr. Archibald" said Count Von Bernstorff, "I wish to state that I never gave Mr. Archibald a single paper or anything else. I thought I made this plain in Washington, but feel repetition is now needed.

Washington, but leef repeats

"I did not attempt to use Mr. Archibald as a messenger because I did not
think it safe, and he certainly did not
prove safe."
Dr. Constantin T. Dumba, AustroHungarian ambassador, left here today for his summer home at Lennox.
Mass.

Dr. Dumba was accompanied by his ecretary, Prince Zu Hohenlohe, who

waived aside newspapermen when they attempted to interview the am-

bassador.

Dr. Dumba spent several hours with Count Von Bernstorff, the German ambassador last night. At the conclusion of this meeting both diplomats declined to say anything regarding President Wilson's action.

ARCHIBALD CARRIED WORK ON PROGRAMS MESSAGES FOR HIM FOR BIG CELEBRATION

Chamber of Commerce Warns Against Giving Money to These Smooth Gentlemen

Be Turned Over to Manager Hopkins Next Week

Don't contribute money to any person for the great municipal improvement celebration.

Don't place an advertisement on any program or card with the idea of helping the celebration.

These were the warnings given today by the Harrisburg Chamber of day by the Harrisburg Chamber of Commerce to its members and other businessmen of the city. Henderson Gilbert, president of the Chamber, said that postcards will be sent out to the members of the Chamber explaining the body's plans for programs of the big event and guidebooks of the city for the visitors who will throng into town from September 23 to 25.

President Gilbert said: "No person has been authorized to solicit for any program."

has been authorized to solicit for any program."

The warning and statement from the Chamber came as a result of information that solicitors are working in various sections of the city, trying to get ads and money contributions for supposed "official programs".

The chairmen of all committees were busy to-day preparing a complete program of their part of the program to be turned over to General Manager C. Floyd Hopkins early next week. Several of the committees are still working out certain details, but hope to be ready for a final report by Wednesday of next week.

Red Men Make Plans For **Burning of John Harris**

Plans for the pageant, "The Burning of John Harris," which will be one of the features of the great municipal improvement celebration, were completed at a meeting of the committee of Red Men in the Majestic Theater last night.

The time for this event has not been definitely fixed but it is understood that it will be timed so as to have the ceremonies just about when the big automobile inspection train reaches the playgrounds.

WORLD FAIR BUILDER KEYSTONE PROJECT

as the 2½-mile speedway for automobiles.

Mr. Graham is a man of worldwide reputation. Of him the magazine Euilding Management, in a recent issue, said: "The name of E. R. Graham, senior partner of Graham, Burnham & Co., Chicago, as a speaker at Atlanta is enough to bring every man interested in skyscrapers to the convention, for his name for the past twenty years has been a household word in big buildings. The wonderful organization of which he is the head has built more big buildings than any other firm of architects in the world. The designer of the Equitable Building, as almost everyone knows, is E. R. Graham. Hardly a city in the entire United States does not boast of one or more buildings built by the Graham-Burnham organization."

Ernest Robert Graham was born at Lowell, Mich., August 22, 1868. When the Worlds Fair was ready for actual building operations D. H. Burnham, who was in charge of the entire Cnterprise as director of works, realized that construction operations

Taft Upholds Wilson in Case of Dr. Dumba

By Associated Press

By Associated Press

Tacoma, Wash., Sept. 11.—"In my judgment, the administration has pursued the only course open to it in the case of Ambassador Dumba," said William H. Taft in a statement given out here last night. "After the admissions made he could no longer be persona grata to the American government."

The former President delivered

The former President delivered two speeches after his arrival in Tacoma. In one, in which he predicted a reunited Republican party, he said: "Only the colonels and captains of the third (Progressive) party are continuing the companion of the said tinuing its ceremonies and forms. There are more epaulets than there are guns."

Note on Orduna on Way to Washington

By Associated Press

Washington, D. C. Sept. 11. — The note delivered to Ambassador Gerard by the German Foreign Offic, yesterday, which was believed to be a supplemental communication on the sinking of the Arabic, now is understood to be a note on the unsuccessful attempt to torpedo the Cunarder Orduna, several weeks ago.

The note had not been received in Washington early to-day and the State Department had no information of its whereabouts. In circles close to the German Embassy, however, it was said the note concerned the Orduna and that when its contents were known, it probably would be found that the German Government claimed some sort of justification for the attack on the liner. Ernest R. Graham, senior partner of Graham, Burnham & Co., of Chicago, has undertaken the work of preparing the plans and specifications for all the buildings of the Keystone State Fair and Exposition Company on the site near Middletown as well as the 2½-mile speedway for automobiles.

Mr. Graham is a man of world-wide reputation. Of him the magazine Euilding Management, in a recent issue, said: "The name of E. R. Graham, is a man of the contractive places about the city and its picturesque environs, none is going to be quite so artistic and inviting as the spacious plaza at the city's pumping station, foot of North street. City Commissioner Bowman is being unliversally commended by the people for the keen interest and foresight that viting as the spacious plaza at the city's pumping station, foot of North provement has been under way for several weeks, but is as yet incomplete and not quite ready for public use. The last opportunity to register will be from 7 to 10 p. m. to-night at the polling places.

It will be difficult for any voter who falls to register to-day to get on the list. Only affidavits of absence from the city or illness will be accepted.

The registrars will be required to make their returns to the County Commissioners on Monday.

Two to One

Many of the men active in registration would have a very heavy registration and that the usual eleventh hour rush would be surpassed. Some of the Republican registration and were predicting that the day's registration would be about two to one in favor of the Republicans. It is believed by some men who have been following events that the registration in the city would show the same proportion of Republicans as the enrollment in the county which was a heart-breaker for the Democrats and kickers.

Nonpartisan registration in the city would show the same proportion of Republicans as the enrollment in the county which was a heart-breaker for the Democrate bosses when their names as Republicans.
