A NEW SKIRT

WITH SHAPED YOKE

Smart Model that Gives Graceful and Becoming Lines.

<sup>1</sup>8611 Yoke Skirt, 24 to 32 waist.
Every variation of the yoke skirt is fashionable. This one is distinctly new and interesting and not alone is the yoke shaped in an unusual manner there also is a plain back which gives the effect of height. The plaits are stitched for a portion of their length, pressed flat below, consequently they flare when the wearer walks. The model is an excellent one for the coat suit and for the gown and appropritely can be utilized for the materials of the Spring and for those of the summer, for wool, for silk, linen and for the coat suit and for the gown and appropritely can be utilized for the materials of the Spring and for those of the summer, for wool, for silk, linen and be made at the high or at the natural waist line. In the illustration, Japanese cotton crêpe is shown in one of the new shades of gray and the skirt is designed for wear with shirt waists.
For the medium size will be needed 5¼ yds. 44 in. wide: it is 3 yds. wide at the lower edge before the plaits are laid. The pattern 8611 is cut in sizes from 24 to 32 in. widst measure. It will be mailed to any address by the Fashion Department of this paper, on receipt of ten cents.
