## Congressman Glass to

The Chamber of Commerce will cold another, of its popular luncheons to-morrow noon at the Harrisburg claimants.

Congressman Glass will describe the effect of the new national banking act on business.

It will be impossible for the Chamber to accommodate more than its members, owing to the capacity of the Lanquet room of the Harrisburg Club and because of the large number who want to hear Mr. Glass, a man of national reputation, who is said to receive and decline more invitations to make speeches than any man in American public life to-day.

Donald McCormick will introduce the speaker and the reception committee for Mr. Glass will consist of the following bank presidents who are members of the Chamber of Commerce: William Jennings, Commonwealth Trust Company; Edward Bailey, Harrisburg Trust Company and Harrisburg National Bank; Charles A. Kunkel, Mechanics Bank; James Brady, First National Bank; Robert A. Enders, Sixth Street Bank; A. S. Patterson, Union Trust Company, and W. M. ### International Race Closes on Saturday; Grays May Yet Lose

Saturday afternoon the curtain will drop for the close of the International

League race for 1915.

Fast, snappy ball and an exciting season brought many thrills for the thousands of fans in the eight towns on the circuit. But the winner of the pennant is still to be decided, Yestercay the Providence Grays lost a pair to Buffalo with fatal results for the former leaders. After holding sway for many weeks the Buffalo Bisons moved up and shoved back the Grays into second place. The winner of the majority of the games to be played will undoubtedly get the pennant, but

majority of the games to be played will undoubtedly get the pennant, but the fans are now anxiously trying to pick the fortunate team. Odds slightly favor the Bisons, most of the rooters believe, because the New York team has been playing consistent and fast ball all season, keeping close on the heels of the Grays, who have been compelled to play top-notch ball to remain on top.

The Indians meeting with reverses on the road, dropped from fourth to sixth place after having a chance to contend with the Bisons and Grays for first place. The "jinx" hit the team, players were injured and deciding games were lost. When the team was transferred to this city from Newark it took hard work to climb to fourth place, but the fans showed their appreciation by supporting the Indians and coming out at the games. Whether or not Harrisburg will have International League ball next year will not be known until the meeting of the league officials this winter.

### Pirates Break Phillies' String of Seven Straight

Pittsburgh, Sept. 16.—Nine innings of scrappy baseball played by eighteen bloodthirsty warriors from Philadelphia and Pittsburgh resulted in a 1-0 defeat for the National League leaders. Mayer, pitching for the Phillies, held the Pirates to four hits, but two of those in the eighth, coupled with a disastrous error, let in the run that lost the chance for eight straight wins for the visitors. A single by Bancroft, double by Paskert and a pass to Cravath in the eighth loaded the bases with Phils, but a double play dashed Pat Moran's hopes on the rocks.

### Sallie Patrick Wins With Three Straight
