He remarked upon the inspiration which had come to the men compris-ing the real estate company which is developing the Bellevue Park district. He then introduced J. Horace McFar-land, president of the American Civic Association, whose Breeze Hill home is one of the attractions of the park. Mr. McFarland spoke of the character of the development as distinctly in harmony with the modern ideas of home building and said that Roland Park in Baltimore was the nearest comparison to the Bellevue enterprise. He referred to the development of a street system in harmony with the topography of the park and to the varlety of the architecture. All the guests of the company were delighted with what had already been accom-plished in this beautiful section of the the luncheon were E. J. Stackpole, Herman P. Miller, William P. Miller, J. M.
