**PACKERS TO APPEAL FORFEITURE OF MEAT**

Prize Court Decision Will Go to Privy Council; London Times Comments

London, Sept. 17.—The decision of the British prize court to-day in forfeiting to the crown American meat products valued at \$15,000,000 has aroused intense interest among representatives of American packing firms here as well as those immediately involved, as no American meat products have been shipped to European neutrals since last May, and the unfavorable result of the packers' case is likely to cause further stoppage of this trade.

"We intend to carry the case to the privy council, where we expect to win," said Alfred R. Union, attorney for the Chicago packers, "but should the decision there be adverse, we shall carry it still further."

The Times in an editorial commenting on the prize court judgment, whether measured by the amount of property at stake or by the consequences, either national or political, involved, as one which will be memorable in the history of jurisprudence, says:

"The result, if adverse to American shippers, may be said to be a compliment to American jurisprudence, as the judgment was influenced very much by the decisions of the United States courts during the Civil War and the precedents most in point were the judgments of Chief Justice Chase and his colleagues in regard to British cargoes seized as contraband."

**Russians Strip and Throw Americans in Cell With Murderers**

By Associated Press

New York, Sept. 17.—Dr. H. C. Leineweber, who is connected with the music division of the Congressional Library at Washington, accompanied by his wife and child, arrived to-day on the Russian steamer Kurek from Archangel and was being arrested by Russian police, stripped and thrown into a cell with five murderers.

Dr. Leineweber and his family went to visit relatives near Grodno more than a year ago. Last November he and his brother-in-law crossed the Dvina river to Dvinsk to buy supplies. The men left their passports at police headquarters, being told the papers would be sent to their hotel shortly.

The same evening, Dr. Leineweber said, the chief of police and ten officers entered their room, stripped them, took away all papers and letters and put Dr. Leineweber and his brother-in-law in a small cell with five murderers. Forty-eight hours later the Grodno police obtained their release.

**MIDVALE STEEL WILL SOON CHANGE HANDS**

Armor Plate Plant Which Has Refused War Orders Sold For \$19,000,000, Report

Special to The Telegraph

New York, Sept. 17.—The Midvale Steel Company, located at Philadelphia, one of the largest manufacturers of armor-plate in the United States, which has steadfastly refused to take war contracts for the allies, is about to pass into the possession of men, who propose to operate it to the greatest advantage of the stockholders, from whatever source the orders may come.

Although the terms of the transaction are not definitely known, it is reported that the sale price is not far from \$19,000,000, approximately \$200 a share. The stock is held closely by the dominant Philadelphia interests.

The prospective purchaser, or it may be the intermediary for the ultimate purchaser, is a syndicate, headed by the banking house of William A. Read & Company, at 22 Nassau street.

**SUFFRAGISTS ARE BRINGING BIG PETITION BY AUTO**

By Associated Press

San Francisco, Sept. 17.—Miss Frances Joffile, of San Francisco, and Mrs. Sarah Bardfield, of Portland, Ore., are on their way to-day by automobile to Washington, D. C., carrying with them to present to Congress resolutions adopted here by the Women Voters convention and a 500,000-name petition urging Congress to enact a national woman suffrage law. The resolutions urge the Susan B. Anthony plan for securing woman suffrage by amendment of the federal constitution.

**BULGARIAN RELATIONS IMPROVE**

By Associated Press

Athens, Greece, Sept. 17.—There are indications that the relations between Greece and Bulgaria are improving. In the most influential circles the conviction is said now to have been reached that neutrality must be the only policy for Greece.

**GERMANS LOSE 20-U BOATS**

By Associated Press

London, Sept. 16, 11.50 p. m.—The Germans have lost twenty submarines since the beginning of the war, according to an editorial note in the Motorship and Motorboat while the British losses have been only seven.

**HERE'S NEW VIGOR FOR OVERWORKED STOMACHS**

Hundreds of the best druggists who have been in the drug business long enough to have their own opinion of the best way of selling medicines, say the plan adopted for the new MI-O-NA dyspepsia remedy, is the fairest they ever heard of. The MI-O-NA people don't believe that a medicine ought to be paid for unless it does the user some good. And so MI-O-NA is always sold under a positive guarantee to relieve dyspepsia or to refund the money. You simply leave 50 cents on deposit with your druggist and if, after you have used the box of MI-O-NA, you decide that it has done you no good, all you have to do is to tell him so and he will return your money.

Hundreds of people can tell how they have been relieved of stomach agonies by using this remarkable remedy. It is not simply a food digester; it is a medicine that puts the digestive organs into normal condition and gives good going, vigorous health. A change for the better will be seen after the first few doses of MI-O-NA, and its continued use will give the power to eat most anything at any time and not suffer distress afterward.

MI-O-NA is sold under a positive guarantee to refund the money if it does not stop all stomach distress. This is the only guarantee that is offered as to the merit of the medicine.

Nothing lessens a man's success in his career, if he has a weak stomach, with its attending evils. Use MI-O-NA and see how good it does for you in life. Get it from H. C. Kennedy or any leading druggist in this vicinity.—Advertisement.

**Commissioners Place Additional Names on Registration Books**

Nearly eighty prospective voters who failed because of unavoidable absence from the city or illness to register at any of the three regular registration places, will soon give the County Commissioners their names to be placed on the books. The commissioners to-day passed favorably upon these names. Distribution of election supplies was begun to-day.

Changes in election boards have been authorized as follows: William Dennis Dohoney, appointed judge of election for the fourth precinct of the Eighth ward, vice Charles G. Steiner, resigned; Roland Carter, appointed judge of election for the First precinct of the Eighth ward, vice James Scott, resigned.

Deputy constables were appointed to-day as follows: Sixth ward, Second precinct, Charles Pinkard; Third precinct, Joseph J. Frick; Fourth ward, Second precinct, John Diehl; Third, Louis Hartz; Fourth, John Rober; Eleventh ward, Second precinct, Daniel Clark; Third precinct, John Kerker; Fourth, W. A. Gordon.

**Sant' Anna Arrives Safely at St. Michaels**

London, Sept. 17.—The Fabre Line steamer Sant' Anna has arrived at St. Michaels, Azores, according to a dispatch to Lloyd's. The fire in No. 2 hold has been extinguished. The Sant' Anna transferred 605 passengers to the Italian steamer Ancona bound for Naples.

The Sant' Anna had on board 2,039 persons including between 1,600 and 1,700 Italian reservists. She sailed from New York on September 7 for Naples and Marselles. No explanation has been received as yet as to the cause of the fire. Agents of the line asserted she carried no munitions of war.

**FUSES BLOWN OUT**

Honolulu, Sept. 17.—From an unofficial but apparently trustworthy source, it was learned to-day that electricians who have been making an examination of the submarine P-4 lost outside of the Honolulu harbor March 25, and now in drydock, discovered that the fuses on September 7 had been blown out, indicating that this was the cause of the disaster.
