JITNEYS CUT DEEP INTO CITY'S TAXES

[Continued From First Page.]

stock would be on a six per cent. basis with the beginning of 1915, but instead of getting six per cent. the stock-

with the beginning of 1915, but instead of getting six per cent. the stockholders will receive about half that amount. No dividend has ever been paid on the common stock, which has been steadily declining in price as a result of the raid of the litneys and the poor business of the summer months.

There is some speculation in municipal circles as to what will happen in the consideration of the annual budget for the next year. Under the agreement with the electric railway system the city receives three per cent. of the gross receipts and through this source the municipal treasury was enriched to the tune of almost \$25,000 this year. In view of what has happened during the present year the dividend that will come to the city is likely to be cut some thousands of dollars. A fee of \$5 for each car paid by the jitney operators will not go far in making up the loss in this quarter.

An official of the Harrisburg Rail-

far in making up the loss in this quarter.

An official of the Harrisburg Rall-ways Company said to-day that it was with regret that the company found it impossible to pursue its former policy in co-operating with boroughs and townships through which its lines run in the improvement of highways and streets. He admitted that the jitney development had made great inroads upon the receipts of the company, but also explained that the unusual weather conditions of the summer had been in part responsible, added to the industrial depression throughout the year.

It was further intimated to-day that owing to the fact that the summer is the profitable period of the company's operation and that practically no dividend had been earned during this period, the stockholders had rather a poor prospect for the next distribution period in April unless conditions quickly change.

Businessmen Want Reynders in Council

That the independent businessmen of Steelton, as well as others, want J. V. W. Reynders returned to council from the Third ward is becoming more evident to-day.

"Mr. Reynders should receive the largest majority ever given a councilman," declared Dr. J. A. McCurdy, a prominent druggist, to-day. "The stee company is our largest taxpayer and its head should be a member of the borough council."

J. M. Heagy, a large taxpayer and a former member of the Assembly, also was lavish in his endorsement of Mr. Reynders. "I don't know anyone who has done more for Steelton than he," declared Mr. Heagy. "It would be a real calamity if he should not be re-elected by a large majority."

TO RECEIVE FRESHMEN Members of the freshman class at the Steelton high school with their parents will be guests this evening of the seniors at a reception in the high school busiding. The parents will be shown the work of the four-year course. A shart entertainment with addresses by Superintendent L. E. McGinnes and Principal Charles S. Davis will be given.

STEELTON PERSONALS
M. J. Horvath left last evening to
attend a meeting in Cleveland of representatives of various Slav societies
in the United States.
Rudolph Knuth, North Third street,
has returned from a visit to Philadelphia.

phia.
Mrs. M. R. Alleman and daughter,
Miss Marie, North Front street, spent
yesterday in Baltimore.
Kasimir Pozega, Mike Forse and A.
Skukan left last evening for Cleveland to represent local Croatian societies at the convention there.

HONOR J. W. FIELDS
John W. Fields, a member of the
Steelton lodge of the Grand United
Order of Odd eliows, was elected secretary of the State lodge at the Carlisle convention. Mr. Fields is a teacher in the Steelton schools and is active
in the Grand United Order of Odd
Fellows. He defeated R. J. Nelson
for the office.

Held Under \$100 Bail For Running Down Chicken

Charged with running down a chicken that belonged to George L. Engle, of East Main street, with his motorcycle, William R. Swisher, superintendent of the Hummelstown electric light department, was arrested and haled before Squire George Rodfong yesterday. fong yesterday.

A half-dozen witnesses were called

A hair-dozen witnesses were called to testify concerning the actions of Mr. Swisher and the hen during the last few minutes prior to its demise. At the conclusion of the testimony Squire Rodfong held Swisher under \$100 bail for court.

ENHAUT - - - -

AUNGST IS CANDIDATE

Marshall J. Aungst has announced himself a candidate for re-election as township commissioner on the Republican ticket. As Mr. Aungst has worked hard to have Mohn street paved by the State, and is interested in having Steelton water mains extended through these towns, there is every reason to believe he will be returned to the board by a large majority.

annual inspection and to change the
hour of meeting. A number of veterans from the local post are arranging to attend the anniversary of the
Great Review in Washington September 27, 28 and 29.

ARCTIC EXPLORER, LOST, GETS MESSAGE OUT

[Continued From First Page.]

and the running cost of chartering Polar Bear was high, I purchased her and engaged her on terms similar to Karluk. Engaged Hoff, engineer of schooner Ruby to take place of Drug of Alaska. Engaged five extra helpers for southern parts who have ample outfit for one year and Polar Bear for two years. Plan continue northern explorations to hundred and forty-five west and eighty-two farther north if northerly course is secured."

Stefansson's determination to proceed with his explorations despite the loss of the Karluk, the chief vessel in his original expedition, shows the calliber of the man and this news was received with gratification by officials here. The Polar Bear, engaged by him in place of the Karluk is a well known and tried Arctic vessel and he seems to have gathered supplies for a further stay of two years in the Arctic zone.
