

Detroit Electric

\$1975 to \$2275

—simplest of all to drive

Its wonderful simplicity of mechanism and ease of operation is just one of the many real advantages of the modern Detroit Electric.

And because every member of your family—mother, wife, and daughter—can drive the Detroit Electric expertly and safely through even the most crowded streets or over the roughest roads you get more use from it than if you owned a heavy, complicated gas car. The Detroit Electric is the best automobile because it returns you greatest dividends in use. You never have to hire a chauffeur when you aren't free to drive nor is your family forced to depend upon your convenience to do their motoring. Why not take your demonstration drive today?

Self-Reliant Home Doctors.

is what women are called who all over this broad land make their annual collections of roots and herbs, and rely upon recipes which our pioneer mothers found dependable for different family ailments. In one of these recipes, Lydia E. Pinkham's Vegetable Compound had its origin and so successful has it proved that there is hardly a city, town or hamlet in America where some woman who has been restored to health by its use does not reside. — Advertisement.
