Never Mind How Strong You Are-

What d'ye Know?

That's the point-"What d'ye KNOW?" To-day it's a battle of wits-and brains win Muscle and brawn don't count so much as they used to.

In the fight for good jobs and big salaries it's brains of brawn—that win. "What d'ye KNOW?" is the -not brawn-that win. one great question that draws the line between defeat and victory — between "wages" and "salary" — between you and the Boss.

What do YOU know? Are YOU so expert in some line of work that you can "make good" as a foreman, superintendent, or manager? If not, why don't you mark and mail the attached coupon and permit the Interna-tional Correspondence Schools to show you how you CAN "make good" on a big job?

For 23 years the I. C. S. have been showing men how to do better work and earn bigger salaries. Every month over 400 students write of promotions or salary increases through I. C. S. training. What the I. C. S. are doing for these men they can do for YOU.

do for YOU.

No matter where you live, how old you are, what hours you work, or how limited your education—if you can read and write and are ambitious to learn the I. C. S. can train you in your own 1.me, during your spare time, for a more important and better-paying position.

Merk and mail the attached coupon—it won't obligate you in the least—and the I. C. S. will show you how you can acquire this salary-raising ability by their timple and easy methods.

It will cost you nothing to investigate—it may cost a time of remorse if you don't. Mark and Mail the Co
