UNITED BRETHREN CONFERENCE OPENS

[Continued From First Page.] sent said that it was as important Scripturally to pay as well as to pray for the advancement of church work.

HORLICK'S The Original MALTED MILK

Unless you say "HORLICK'S" you may get a Substitute.

uation he favored raising the minimum salary limit above \$700, which was set several years ago at an annual session. This matter was referred to the committee on finance and will be brought before the members for action later in the week.

No increase in church assessments was advocated for the coming year, but the Rev. Dr. Lowery claimed that changes in conditions in several localities had made adjustments necessary and asked that they be made.

Scores Church Literature The Rev. Dr. Lowery gave brief accounts of the church extension work of the last year, and asked the pastors to continue to support of Lebanon Valley College. His most scathing remark was made when he referred to

the church literature of the present day, and warned members of the United Brethren denomination against reading any harmful literature, down to what he termed "the lowest and most insidious and therefore meanest—books on Russellism."

The following five candidates who applied for admission to the Eastern Pennsylvania conference ministry and were recommended by Dr. Lowery: E. F. Castetter, Shamokin quarterly conference district; Martis V. Fridinger, Jonestown district; M. A. Wagner, Chamber Hill district; Lewis D. Gottschall, Lebanon Trinity district, and C. C. Wittmer, of Euclid avenue, Dayton, Ohio. It is probable that these candidates for admission will be accepted and assigned small charges in the Eastern district.

Filling of Places Owing to the death of the Rev. A. S. Beckley, shortly after the sessions last year, the Rev. J. M. Hershey was chosen to fill the unexpired term at the First United Brethren Church, Shamokin. It is believed that he will be returned to this charge again. The Rev. R. H. Arndt applied for a transfer to the Allegheny district. Others who applied for admittance to the ministers' itinerancy list, having served at one place the required two years were: H. F. Boeshore, Norman I.

Fake, H. H. Fertig; Ira W. Funk; John O. Jones, C. R. Longenecker, H. M. Mentzer, H. E. Sheaffer, H. A. Smith and C. Y. Ulrich.

Evangelistic Campaigns Help T. G. Spangler, secretary of the conference missionary and church extension society, claimed in his report this afternoon that much of the increase in the church membership during the last year in addition to the increase in interest among the members was due to evangelistic campaigns conducted in practically every one of the towns and cities of the district. The most notable of these were the campaigns of Dr. Henry W. Stough, in Harrisburg, Lancaster and Reading.

To Extend Philadelphia Work Advantage will be taken of the big opening in North Philadelphia to push the church work in that vicinity. Recently a plot of ground, 168 by 90 feet, at Wyoming street, near Twelfth, was purchased. Following the approval of the report of the church extension committee plans will be started for the erection of a chapel in this section of Philadelphia. The convention opened this morning at 9 o'clock, Bishop W. M. Weekley presiding. More than 160 pastors and lay delegates were present for the

roll call. Others will arrive later in the day.

The devotional exercises were led by the Rev. Dr. I. H. Albright, of Middletown. Following the roll call of dead members the pastors were authorized to turn over their reports to the auditing committee to be included in the final report of that branch of the conference. Less than an hour after the session opened a motion to adjourn was passed to give the committees time to complete their reports, which were presented this afternoon to be acted upon by the conference.

To-night and To-morrow The Rev. Dr. B. F. Daugherty will preach this evening in the church at 7:30 o'clock.

Devotions to-morrow morning will be led by the Rev. H. S. Kiefer, of Lykens. This will be followed by an important business session at 9:30 o'clock at which committee reports will be presented. In the afternoon the opening address will be made by the Rev. C. Y. Ulrich. Other talks will be given by the Rev. Dr. C. Whitney, secretary of the Home Mission Board, and the Rev. S. S. Hough, general secretary of the

Foreign Mission Board. At this meeting the report on Home Missions will be made by the Rev. Joseph Daugherty; the report on church erection by the Rev. C. G. White; and the report of the Conference Branch Foreign Missionary Committee composed of the Revs. S. E. Rupp and J. M. Hershey. Devotions will be in charge of the Rev. Dr. A. C. Siddall.

A short song service in the evening will precede the illustrated lecture on "Publishing Interests," to be given by the Rev. Dr. W. R. Funk.

Western Railroads Ask Rethinking in Rate Case

Special to The Telegraph Washington, D. C., Sept. 29.—Formal petition asking for a rehearing in the western advance freight rate case was filed yesterday with the Interstate commerce commission. Rates which the roads want revised are on meats, livestock and food-products. The principal ground on which the re-opening is asked is the failure of the commission to pass upon the need

of the carriers for additional revenue, which the petition says is a "fundamental issue."

EASY WAY TO MAKE HAIR ATTRACTIVE

Ladies May Add to Their Appearance With Little Trouble

Ladies who find trouble in properly or attractively arranging and dressing their hair should try using a little Parisian Sage twice daily for a while. Parisian Sage, which can be obtained from H. C. Kennedy, or any drug counter, makes the hair soft, lustrous, fluffy and wavy, takes out the dull, lifeless appearance, dissolves the dandruff and stimulates the hair roots into healthy normal action. Instead of merely sprinkling the hair, it should be rubbed right into the scalp with the finger tips. Parisian Sage is a delightful treatment for both hair and scalp, cannot possibly injure the hair and is very inexpensive. — Advertisement.
