THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WILL DECIDE 59 THE VOTES OCT. 8

Completed Official Count Shows Scores of Candidates Got Same Number

NONPARTISAN TICKET

Commissioners Not Certain as to Arrangement of Councilmanic Candidates

Fifty-nine tie votes cast for as many places on borough, township and precinct tickets at the Fall primaries, will be decided by lot in the county commissioners' office at 10 o'clock October 8 as a result of the official count.

The nominations which will have to be decided include practically every borough or precinct office from auditor and justice of the peace to inspector of elections. Notices to the tied candidates were sent out to-day and the drawings will be made in the presence of the county commissioners.

The list includes seventeen Republican, twenty-two Democratic, fifteen Washington and five Socialist "even" tickets.

The Nonpartisan Ticket
The arrangement of the county councilmanic ticket for the nonpartisan ballot at the November election has not been definitely decided upon as yet by the county commissioners. Col. F. M. Ott, the county solicitor, said he was not ready as yet to advise the commissioners with reference to the two high candidates Commissioners W. L. Goggs and H. E. Bowman. But the legal interpretation of the act of 1915 which refers to the fifty per cent of the ballots cast, and upon which hinges the issue, is being investigated. The commissioners expect to have their decision ready in a few days.

The Stuff that makes the motors go

When weather forecasts say "colder," watch out for rising barometer of gas consumption. That is, unless you use Atlantic Gasoline. It will give you practically the same number of miles per gallon as you got last August.

This is the gas to feed in all weathers. Its qualities are regulated so as to insure instant carburetion at low temperatures.

ATLANTIC GASOLINE

Atlantic Gasoline is made from the finest crude oil that flows. It's clean as filtered water. It leaves a minimum of carbon. It saves you expensive carburetor troubles, because carburetors on a steady diet of Atlantic Gas seldom need adjusting. Every gallon is exactly like the last—its uniform "boiling point" is a definite standard.

Be sure you say Atlantic Gasoline—it puts pep in your motor. All good garages sell Atlantic Gasoline and Atlantic trucks and tanks deliver any quantity, anywhere, any time.

POLARINE keeps upkeep down
Atlantic Polarine will feed at zero weather as freely as at high temperatures. It keeps cylinder walls covered with a film of oil—they don't get parched when you use Polarine.
