

# RED SOX CLINCHES AMERICAN FLAG WHILE IDLE---BOWLING SEASON PLANS

## AMERICAN FLAG GOES TO BOSTON

Red Sox Hears of Detroit's Defeat on Way to Washington; See Phillies Play

Special to The Telegraph  
Boston, Mass., Oct. 1.—Detroit was yesterday eliminated from the American League race when St. Louis won, score, 8 to 2. This gives the Red Sox undisputed right to this season's championship.

The outcome of the pennant race had been regarded as a foregone conclusion since the Tigers were routed in the last three games of the sensational series here two weeks ago.

The Red Sox players learned of the accomplishment of their desires as they boarded a train for Washington, where they play to-day. During the afternoon they had watched the Phillies, their rivals in the world's series competition, which begins next week, in action against the Braves.

With the exception of Captain Barry, the Red Sox will present full strength in the remaining league games. Barry, whose coming from the Athletics in midseason has generally been regarded as the deciding factor in Boston's success, was left to maintain a watch on the play of the Phillies. A car-buncle which had troubled him was nearly healed.

## Plan Extra Seats For Philadelphia Ball Park

Special to The Telegraph  
Philadelphia, Oct. 1.—The best news received by the baseball fans who expect to see the world's series games here is that the seating capacity at the Phillies' grounds will be increased to 21,000 persons. This means that 2,300 extra seats will be placed in the park for the championship, and while this will not accommodate the great number who want to see the series, it will help considerably.

A big squad of carpenters and expert stand builders descended on the grounds yesterday and began work. When they have finished the park will seat almost 500 more persons than can be seated at Shibe Park. There were a few more than 20,000 persons at each of the world's series games at Shibe Park last season and the seating capacity at the Phillies' grounds is to be increased from 18,000 to 21,000.

The present plans, perfected and placed in the hands of the contractor, by the Phillies' management when it seemed decided that the club would get the pennant, call for 30 new boxes, seating 2 persons each, to be built at the front of the grandstand in a line stretching from the right field players' bench to the broad street line. This gives 60 new seats. Fronting the left field grandstand 22 boxes, to seat 12 persons each, will be built, to run from the players' bench to the left field exit. There will be 64 new seats here.

Seats for about 1,500 more will be provided in additional benches to be built in front of the present bleacher sections. The bleacher additions will not in any way mar the field, according to the management. It is estimated that the line from the home will be just 400 feet long, giving plenty of scope for long drives.

The improvements, it was said, will be completed in a few days. The additions are so planned as not to interfere in any way with the view from the boxes and bleachers already provided.

**Central High Players to Receive Orders Late Today**

In the event of no practice this afternoon Central High will have indoor football exercises. A wet field and probable rain, it was the belief, would interfere with a regular workout. Paul Smith, the coach, is not certain as to his team. He will announce his line-up after a consultation with E. W. Saul, the athletic director.

The attraction to-morrow afternoon will be the Baltimore City College. This institution has a strong eleven. The game starts at 3 o'clock and will be played on the regular field.

**ANOTHER BASEBALL SERIES**  
Special to The Telegraph  
Anville, Oct. 1.—A county championship baseball series will be played between the Lebanon American Iron and Company's nine and the Anville team during the next three weeks. The first game will be played in Lebanon to-morrow, the second in Anville and the place for the third game has not been decided. The Lebanon team is the champion of that city while the Anville nine has defeated the strongest teams in the county.

## How Philadelphia Finished in Former Years

For the first time in thirty-three years the Phillies are going to win a pennant. Several times in that length of time they have been near winners but have always lacked the punch and soon came to be known as the "Wait Until Next Year" team. That "next year" is 1915, which is some distance away from 1882, but now that it is here it is interesting to recall how the Phillies finished in all those intervening years. Here it is:

## TECH PLAYS LEBANON HIGH

Tech high went to Lebanon at noon to-day. This afternoon the local squad lined up against Lebanon high. Percy L. Grubb, athletic director, Coach Whitney and Trainer Kelley accompanied the squad which numbered 20 players.

## SEE BLACK HAND TRAIL

Pottsville, Pa., Oct. 1.—With the capture of one of the aliens who shot John James at Mount Carbon in a dispute over 3 cents' worth of ice cream the police believe they are on the trail of a Black Hand organization which has been operating here. Joseph Garrage, of Palo Alto, a merchant, who frequently has large sums of money in his possession, told the police that he was held up by members of a secret organization, who threatened to blow up his house if he did not get money for them.

## PENN STATE COACH PLANS

State College, Oct. 1.—Field Coach "Bud" Whitney gave Penn State's backs a long drill in defensive tactics against the forward pass yesterday afternoon. With two sets of backfield men working, Whitney carefully instructed them in all the details of a strong defense against the style of offense State expects to meet in the coming games with Lebanon Valley and Pennsylvania. Against the strong freshman eleven, which later scrimmaged against the regulars, Coach Harlow's first string men successfully broke up the lateral and forward passes launched by the first-year team.

## CARLISLE PITCHER JOINS MACK

Carlisle, Pa., Oct. 1.—Frank Hart, known locally as the "iron man," left to-day to join Connie Mack's Athletics at Harrisburg. Hart was with the Marysville team of the Dauphin-Perry League this year and played with the Carlisle Athletic Club for several seasons. He established a record here in a Fourth of July game when he pitched both ends of a double-header and scored seventeen strikeouts.

## LEO HOUCK WINS FIGHT

Leo Houck had the best of Johnny Howard of Bayonne, N. J., in a six-round bout at Lancaster last night. The fight was under the auspices of the National Athletic Club. Houck had knockout chances but did not take them.

## Lafayette Football Team

Strongest in Many Years

Special to The Telegraph  
Easton, Pa., Oct. 1.—It was predicted very early in the season that the Lafayette Football team would be the best that has represented the college in a number of years. As the season has progressed, both the practice and the games indicate that this pre-season prediction was not exaggerated. The Maroon and White aggregation derives its strength this year from the fact that all but four of the members of last year's team are with the squad this season and besides this, there has been an influx of new material which is of the highest caliber.
