Wilson Administration For Woman Suffrage

Washington, D. C., Oct. 5.—The entire Wilson Administration, with one possible exception, has declared for woman suffrage, following the announcement that the President favored the suffrage amendment to be voted on in New Jersey on October 19. Secretary of Labor Wilson, of Pennsylvania; Secretary of Commerce Redfield of New York, and Secretary of the Treasury McAdoo, have espoused the cause, and announced to that effect being made to-day.

TWO FIRES AT INSANE HOSPITAL
Special to The Telegraph
Norristown, Pa., Oct. 5.—There were two fires at the State Hospital for the Insane yesterday afternoon. While flames were destroying a large frame barn about a mile from the building, containing 3,000 patients another blaze was discovered in a wardrobe in the nurses' home. Women physicians and nurses extinguished the blaze. The barn and contents were destroyed. Loss, \$10,000, fully insured.

ORDNANCE EXPERTS ACTIVE
By Associated Press
New York, Oct. 5.—A board of ordnance experts of the United States army was engaged at Sandy Hook to-day in making an extensive series of big gun tests, using one of the 12 inch guns which guard the approach to New York City. Their purpose was to ascertain the power and quality of explosive charges rather than to test marksmanship.

NO EXTRA SESSION
Washington, D. C., Oct. 5.—President Wilson practically has decided not to call a special session of the Senate before the meeting of Congress in regular session. Although he is desirous of having the Senate's rules amended so as to give the majority power to limit debate, he is understood to have become convinced that it is better not to call the Senate together at this time.

BISHOP'S CONDITION CRITICAL
By Associated Press
Portland, Me., Oct. 5.—The Rt. Rev. Robert Cook, Episcopal Bishop of Maine, who was operated on at the Peter Bent Brigham Hospital, at Boston yesterday morning is in a serious condition. Attending physicians fear for his recovery.

GET RESIGNATION OF POLICE CHIEF

[Continued From First Page.]

til the fifteenth. That the chief executive of the Council to take some step in the matter was obvious, as he repeatedly referred to the fact that "the newspapers seemed to have fixed it all as to the appointments."

A letter from Dr. Samuel G. Dixon calling attention to the overflowing of one of the connections of the river front interceptor at Woodbine street was sent Commissioner W. H. Lynch explained that the overflow was probably caused by the clogging of one of the sewers. Men go over these silt basins twice a day to clean them he said. The trouble was liable to happen most any time.

The body of the old police ambulance will be turned over to the Childs' Industrial Home for "playhouse," in accordance with Councilman action to-day. Commissioner Lynch offered an ordinance authorizing the construction of a bridge over grade Brookline street from Benton to Twenty-fourth street; and authorizing the laying of a water pipe in the same street.

The report of the Planning Commission was received and filed and at Commissioner Taylor's suggestion copies will be printed and given to each councilman for study.

Expense Accounts of Candidates' Committee; Lynch and Copelin File

Primary election expense accounts of the Candidates' Committee, City Commissioner W. H. Lynch and City Treasurer J. W. Copelin were audited late accounts filed this afternoon.

Negro Chauffeurs Targets For Stones in Georgia

Cumming, Ga., Oct. 5.—When a party of automobilists comprising the annual "seeing Georgia tour" of the Georgia Chamber of Commerce, yesterday drove into Forsyth county, into which no negro has been allowed to enter since four negroes criminally assaulted a young white woman near here two years ago, four of the tourists' automobiles, driven by negro chauffeurs, were made targets for stones and sticks, thrown by a crowd of men and boys. An attempt was made to take one of the chauffeurs from his car. No one was injured.

Washington, D. C., Oct. 5.—Count Von Bernstorff, the German ambassador, came to Washington to-day from New York, to confer further with Secretary Lansing over the Arabic case.

After You are Forty

Forty is the age of greatest effort with most people. Vitality is used up at the most rapid pace. The struggle to secure a competence for old age produces nervous strain, the failure to succeed causes worry, nervous breakdown, neurasthenia.

When these things occur, whether you are fourteen or forty, you need a tonic. Dr. Williams' Pink Pills suit most people's need because they are non-alcoholic and they really build up the blood and strengthen the nerves. Dr. Williams' Pink Pills are useful for growing children and for men and women whose nervous energy has been overdrawn. They are certainly worthy of a trial in every case of weak nerves and thin blood.

Two Offices of State Firemen's Association May Go to One Man

Philadelphia, Oct. 5.—"No man can earn \$5,000 a year as a county commissioner and no man does," said Mayor Blankenburg to-day, in a lively address to the 2,000 volunteer and paid firemen assembled for the convention of the Pennsylvania State Firemen's Association while he was pleading for higher salaries for the men in the city department.

U. S. to Build Greatest War Vessels Afloat

Washington, D. C., Oct. 5.—Super battle cruisers, bigger, faster and more heavily armed than any war craft now afloat or building, and which will cost \$18,000,000 each to construct and equip, will be recommended to Congress as a part of the navy building program for next year. Decision on this step was reached at a conference between President Wilson, Secretary Daniels and Representative Padgett, chairman of the House naval affairs committee.
