I want every sufferer from any form of rheumatism trouble to try this marvelous healing power. Don't send a cent! Simply mail your name and address and I will send it free to try after you have used it and it has proven itself to be the best long-lasting means of curing your Rheumatism, you may send the price of five cents, but understand, I do not want your money unless you are perfectly satisfied to send it. MRS. MELL'S 82ND BIRTHDAY TODAY

Many Old Friends Sends Gifts and Greetings to Aged Resident of City

MRS. HARVEY L. MELL

Gifts, flowers and greetings from relatives and friends far and near, were showered to-day on Mrs. Elmer Mell, of 149 Paxton street, in celebration of her 82nd birthday. There was a family dinner, too, and many callers for the aged lady who is as bright and well as can be.

Mrs. Sarah B. Wolf Mell was born near Locust Grove, Lancaster county, the daughter of the late Samuel Wolf of this city and his wife, Elizabeth Spicer Wolf of Taylor's Island, Eastern Shore, Md. The family went to Duncannon to live and when quite a young girl, Sarah married Harvey Mell of that place, coming later to this city where her husband had a position with the Central Iron Works. Mrs. Mell has lived here for over forty years and has much of interest to tell of the early days in the county, for her memory is clear and brimful of events.

Mrs. Mell has a sister living, Mrs.

Care of the Hair And Other Beauty Secrets

Switches will be unknown among women when they give as much care and attention to the hair as they do to the face and hands. Women troubled with dandruff and falling hair, should use a hair restorer. This simple remedy will do well to shampoo at least twice a month with a teaspoonful of eggol dissolved in a half a pint of water. It will remove all excess oil, dirt and dandruff. A simple and delightful hair tonic to be used on the hair is the electric needle, very easily by mixing half a pint of water with half a pint of alcohol and adding one ounce of beta-quinol, making this simple tonic into the scalp nightly will soon stop the hair from falling. Kill all the dandruff germs and soon produce a fine, glossy and luxuriant growth.

Not so much the big wrinkles, but the little ones are what rob the face of its youthful appearance. No matter how faithfully and vigorously you massage the face, there will be no perceptible result unless the proper article is used. If you will get from your druggist about two ounces of powdered eggol, dissolve it in half a pint of hot water, you will have a remarkable wrinkle remover that will in a short time produce a startling change, making the face plump and youthful to a marked degree.

Fashions decree that arms and neck should be entirely devoid of those ugly hairs. Using pastes, powders and razors, only strengthens the roots, so the hairs grow thicker and stronger than before. Next to the electric needle, the only safe, sure and painless way is to dissolve the hair. Get from your druggist one ounce of simple sulfite solution; apply freely to the hairs and in about three minutes they will be dissolved away entirely, leaving the skin soft and white without any irritation whatever.

Elizabeth Miller of 907 North Front street, who is 85 years old; three brothers, John S. Wolf of Cedar Rapids, Iowa, aged 96; Henry Z. Wolf, of Elbert, Colo., 79 years old and Hiram G. Wolf of Memphis, Tenn., aged 77. Mr. Mell died many years ago and of their five children, four are living: Mrs. Agnes Shurfield, of Youngstown, O.; Mrs. Ada Thompson, Scottsdale, Pa.; Samuel S. Mell of Crescent street and Mrs. William K.

Hamer of Paxton street, with whom Mrs. Mell resides. She has twenty-seven grandchildren and thirteen great grandchildren. GUESTS AT STOUFFER HOME Mr. and Mrs. William C. Jefferies and daughter, Gwen, Miss Caroline Jefferies, Miss Florence Hoak, of Lancaster and Miss Elizabeth Plumly of Chester, spent Sunday with Mr. and Mrs. Sydney I. Stouffer, 1929 Green street on an automobile trip.

Thin Men and Women

DO YOU WANT TO GET FAT AND BE STRONG?

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract properly assimilates the food you eat.

There is a preparation known to reliable druggists almost everywhere, which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This preparation is called Sargol and much remarkable testimony is given as to its successful use in flesh building. Sargol, which comes in the form of a small non-injurious tablet, taken at

meals and mixing with the digesting food, tends to prepare its fat, flesh and muscle building elements so that the blood can readily accept and carry them to the starved portions of the body. You can readily picture the transformation that additional and previously lacking flesh-making material should bring with your cheeks filling out, hollows about your neck, shoulders and bust disappearing and your taking on from 10 to 20 pounds of solid healthy flesh. Sargol is harmless, inexpensive, efficient. Geo. A. Gorgas and other leading druggists of this vicinity have it and are authorized to refund your money if weight increase is not obtained as per the guarantee found in each large package. NOTE:—Sargol is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported care should be taken about using it unless a gain of weight is desired.—Advertisement.
