U. S. STEEL GOES DOWN HALF POINT

New York, Oct. 6. — Measures taken by the Stock Exchange yesteray to curb riotous speculation in war shares resulted in an irregular opening today. Some of those issues, especially Continental Can, Railway Steel Spring, Republic Steel, General Electric and Goodrich were down one to two points, while Industrial Alcohol, American Coal Products, American Car and Distillers' Securities were higher. United States Steel on a sale of 4,000 shares was half a point lower at 78⅜. New York Central, Union Pacific and Pennsylvania were firm features of the railway division.
