Anniversary Sale

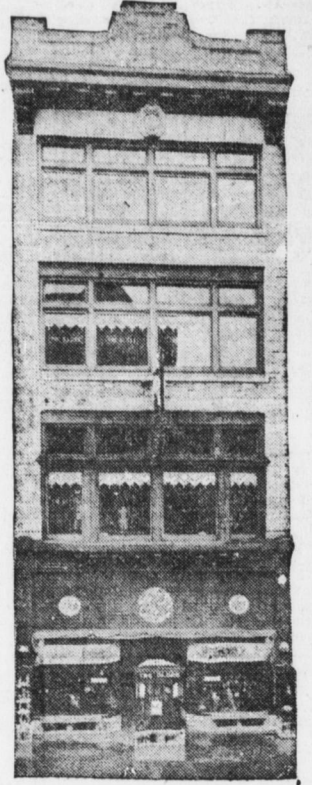

Beginning Tomorrow We Celebrate Our Nineteenth Anniversary---or Rather---The Globe Will Be Nineteen Years Young

With every succeeding birthday we are growing younger--younger in spirit, in effort, in service, younger in the character of our merchandise. We shall always cater especially to the young fellows, who look to us for the prevailing fashions, not forgetting, of course, those men of more conservative tastes and ideas.

The present **GLOBE** was begun in a very modest way, just nineteen years ago, on the site of our present building. By hard work, perseverance, **HONEST BUSINESS METHODS, HONEST MERCHANDISE** and **HONEST ADVERTISING** we have grown to be the **LARGEST CLOTHING HOUSE** in this section of our great State.

It is out of gratitude to our thousands of friends and patrons that we have planned this **ANNIVERSARY SALE**. A sale of merchandise of **THE GLOBE STANDARD** at prices that mean great savings to you.

Every department is brimming over with the best that can be procured. Every department head vies with the other in making this sale a grand success. Offerings that are rare indeed will be your reward.
