Ballot Boxes Must Be Given Out.

Owing to the mix-up in the ballot boxes caused yesterday afternoon by boxes caused yesterday afternoon by the method of distributing the boxes to election boards, Chief Clerk D. Frank Lebo of the county commissioners' office announced that the receptacles hereafter will be distributed under a different system. Instead of permitting the boards to call at the storeroom in the courthouse and take out any box they wish, they will be picked out according to precincts and given to the election officers under the eye of a courthouse attache.
