MAN KILLED WHEN AUTO TURNS OVER

Charles Mullen and His Sister, of Shamokin, in Fatal Accident

Special to The Telegraph Sunbury, Pa., Oct. 8.—Charles Mullen, 39 years old, and single, of Shamokin, was fatally hurt and his sister, Miss Letitia Mullen, Miss Helen Mullen and Miss Clara Mullen, all of Shamokin, slightly injured, when their automobile turned turtle twice on the old Reading turnpike two miles east of Sunbury late yesterday afternoon. Harry Snyder, of Harrisburg, also suffered slight injuries. They were brought to the Mary M. Packard Hospital here, but Mullen died before reaching there. His skull was broken. The car was running slowly towards Sunbury, when they came across a car broken down, and another hitching fast to tow it in. In passing the chauffeur probably got too close to the edge of the road, which was soft and gave way. The big machine turned turtle twice and then righted itself. Mullen was a member of the firm of John Mullen & Sons, iron founders, at Shamokin. His father is president of the First National Bank, of Shamokin.

CATARRH CAUSED BY A GERM

Must Be Destroyed Before Catarrh Itself Can Be Cured. Wonderful Results from Breathing Medicated Air. Medicine that acts on the blood alone will never cure catarrh. And neither will the sprays, douches, lotions, creams and other temporary reliefs that so many catarrh victims make a habit of using. To cure catarrh so it won't come back you must first drive from your body the millions of germs that are flourishing in the inner recesses of your nose and throat and are causing the disease. There is a preparation used to do this called Hyomei (pronounced High-o-mey). Hyomei is a germ-killing vaporized air formed from the purest oil of Eucalyptus combined with other healing and antiseptic ingredients. You breathe Hyomei through the mouth and nose by means of a little hard rubber inhaler which carries the vaporized air into every fold and crevice of the mucous membrane of your nose and throat, kills the catarrh germs that lodge there, soothes, reduces and heals the swollen inflamed membranes, stops the discharge and opens up the clogged nose and air passages in a truly wonderful way. It gives blessed relief in five minutes from catarrhal distress of every kind and if you make a practice of breathing Hyomei for a few minutes each day for just a few weeks not only will all the symptoms of catarrh vanish but the disease itself will be a thing of the past. No one need try or buy Hyomei on pure faith. H. C. Kennedy and many other leading druggists in Harrisburg and vicinity sell it with the positive guarantee that it must cure catarrh or that the money paid for it will be refunded. Hyomei is very inexpensive and with this protecting guarantee behind your purchase there is absolutely no reason why any sufferer from catarrh should not give it a fair trial.—Advertisement.
