### BOSTON RED SOX PLAYS BY SYSTEM

Inside Baseball by Boston Keeps Other Teams on Alert, Says Chicago Writer

"The Boston Red Sox use a system of helping their base runners that is one of the finest bits of inside baseball ever pulled," says Brown Holmes in the Chicago Post. "The play is one that has helped the Red Sox lead the American league nearly all season and one they will use in their efforts to tuck away the world series."

WESTPORT 2 1/4 IN. THE CORRECT CUT-AWAY SHAPE. Lion Collars OLDEST BRAND IN AMERICA UNITED SHIRT & COLLAR CO. LTD. N.Y.

ball has to travel from the catcher to second base. "The batter's box is six feet in length and it is three feet from the center of the plate to the back end of the box. The batter then, by standing away back, forces the catcher to throw three feet farther than if the batter stood even with the middle of the plate. Three feet does not sound like a great deal, but it means ball games in these days of split-second baseball.

**Seconds Count**  
"There are more close plays at second base than any other base except first, and in many the runner or baseman gets the umpire's decision by a fraction of a second. In these fractional-second plays, the decision goes to the runner under the Red Sox system."

**LOSES MUSTACHE ON PHILLIES**  
Special to The Telegraph  
Philadelphia, Oct. 8.—Fifteen years ago Patrick O'Hara, of Manayunk, Pa., made a bet with his friend, Patrick Cowley, that if the Phillies didn't win the pennant that year he would raise a mustache and continue to wear it until they did. At last, after long, weary waiting, off came the mustache Wednesday. "Poor Cowley died in 1907," said O'Hara as he left the barber shop, "but I kept my promise, and would have kept it until I died if the Phils hadn't come across this time. I knew Moran would win," he added. "He comes from Donegal, my home county."

### INDEPENDENTS TO HAVE STAR TEAM

Elect New Officers; Horace G. Geisel Is Manager; Season Opens Saturday, Nov. 20

The Harrisburg Independent Basketball Association reorganized last night. All games will be played on Chestnut Street Auditorium floor. The best teams in Pennsylvania and other States will be scheduled, including Eastern and Central League teams. These officers were elected: President, George W. McIlhenny; vice-president, J. D. McConnell; treasurer, C. E. Weber; secretary, W. G. Ford; Horace G. Geisel was elected manager of the team and "Ike" McCord was re-elected captain. G. P. Hammond, who managed the team last season, resigned from that position because of his business interests.

The season will open Saturday, November 20, with Shamokin as the probable attraction. Games will be played every Saturday night and holiday nights. Every member of last year's team, which included McCord and Rote, forwards, Geisel, center, and Ford, McConnell and Arthur, guards, will be out for the team this season. In addition to the above named men, several Harrisburg boys who have shown promise will try out for the team. Captain McCord will issue a call for candidates in a few days.

### CENTRAL MEETS STEVENS ELEVEN

Students Plan For Large Attendance; Local Team Does Not Anticipate Easy Victory

Central High students will be out in force to-morrow afternoon for the second game at Island Park. The Stevens Trade School, of Lancaster, will be the attraction. There is much to be considered in this game. Stevens played Steelton to a 0-to-0 score. At Reading the Lancaster eleven was scored on but once. Reading High's team this season is said to be exceptionally strong. Central does not anticipate an easy victory. The game starts at 3 o'clock and the teams will line up as follows:

- Central: Hilton, I. e. Martz, I. e. Warden, I. g. Nissley, c. Frank, r. g. Selhamer, r. t. Wynn, r. e. Rote, q. b. Hall, I. h. b. Diefenbaugh, r. h. b. Houtz, t. b.
- Stevens: Frey, I. e. Seltzer, I. t. Overholtz, I. g. German, c. Nolde, r. g. Trout, r. t. Bell, r. e. Crownover, q. b. Smithgall, I. h. b. Frank, r. h. b. Schank, t. b.

### World's Series Facts in Condensed Form

Series is the best four in seven games. Sixth world's series to be held in Philadelphia. Phillies' first pennant in 33 years major league ball. Players share in receipts of first four games only. The Red Sox has yet to lose a world's series. Braves' field is largest in country; Phillies' smallest. The Braves' share for last year's triumph was \$2708.86. Three victories is best any pitcher has won in world's series. Seventeen home runs have been made in the last 11 world's series. Both Carrigan and Moran are catchers, although the latter is no longer active. The Red Sox's six pitchers top the American League in victories this year. Southpaw Eppa Jephth Rixey, of the Phillies stands 6 feet 5 inches and is 24 years of age. Boston nines have won 19 pennants, five being captured by the American League representatives. Alexander has struck out more than 1000 National League batsmen in his five years' pitching. No spectators will be allowed in the playing field, either at the Phillies' ground or the Braves' field. There has not been a Western club in the world's series since the Cubs lost to the Athletics in 1910. Dates of games are the same as last contests, when first two games were played at Shibe Park, October 8 and 9. Second Baseman Jack Barry of the Red Sox is one of the famous Athletic infield. He was sold to the Red Sox this year. The Braves' Park, Boston, will accommodate about 45,000, while the Phillies' ground will have room for 21,000 to 22,000. Manager Pat Moran of the Phillies, was with the Chicago Cubs in 1905, 1907 and 1908, when they won the National League pennants. It is interesting to note that Hugh S. Fullerton picked the Phillies to finish last in this year's race. His early Spring forecast was: Boston, Chicago, New York, Brooklyn, St. Louis, Cincinnati, Pittsburgh and Philadelphia. Grover Cleveland Alexander may oppose Ernest C. Shore in the opening game of the big series. Alexander has great speed; Shore has slightly less. Alexander has a great curve ball; Alexander has a fade-away that is puzzling to left-handed batters; Shore has a fast ball that drops away from a left-handed batsman.

### Charlie Taft on Gridiron Is Anxious For Laurels

Charlie Taft, son of the former President, is evidently of the same caliber as the elder Taft, if present indications are of any value. And, moreover, it is perfectly evident that the young athlete and student is not the sort who is content to rest on his father's reputation. He is at present a sophomore at Yale, but already is one of the most widely known and popular men in the university.

Last year he was president of his freshman debating team, played guard on the University basketball team, which won the Intercollegiate championship, and led his class in scholarship. This year he decided to try out football, and has already shown so much aptitude and skill that the coaches have advanced him to the position of fullback on the Varsity team.

Whether he can hold the place or not is a matter of conjecture, but chances are very much in his favor, because he succeeds at everything to which he devotes his energies. Young Taft is 18 years of age.

### NEW TROTTERING RECORD

Lexington, Ky., Oct. 8.—Peter Scott, the Peter The Great-Jenny Scott stallion, well driven by Thomas W. Murphy, won the \$5000 Transylvania stake, the chief attraction of the Grand Circuit card here yesterday in straight heats. Worthy Prince was a close contender in the first two heats and Lizzie Brown in the third, but the winner was not extended and won apparently as Murphy pleased.

### FINAL PRACTICE AT ACADEMY

Final practice was held this afternoon on Harrisburg Academy field for the game to-morrow afternoon with Enhart A. C. eleven. Play starts at 2:30. An interesting game is looked for. Manager Hart will have his entire squad in the field and will give his players a chance to make good.
