DERRY ST. MEN PLAN MORE WORK

First of Monthly Dinners and Business Meetings Big Success

The men's Bible class of Derry Street United Brethren Church, Fifteenth and Derry streets, last night held the first of a series of monthly "class nights," including a big, juicy dinner and business meeting.

After the men had a real square meal under their belts they were addressed by Dr. J. A. Lyter, pastor, on "What the church expects of the big class of nearly 40 during the coming months." Dr. Lyter declared that

the Derry Street men's class is larger and stronger than the average church in the United States and he expects to see them "turn the Hill upside down" evangelistically during the winter. The various committees met in group meetings following Dr. Lyter's address and the committee meetings were followed by a general business meeting of the class.

Among other things it was decided to throw open the class dinners, which are to be held on the first Thursday of each month, to all members, rather than to committees only. W. A. Fenical, of the social committee, announced that plans are nearly complete for the annual chestnut outing to be held Friday, October 23. The men will go to the mountains by truck to a spot "where the chestnut burs are so big they would puncture the tires of an ordinary touring car," to quote Mr. Fenical. The class will hold a social on the Tuesday evening before the chestnut outing, when "movies" of the last outing will be shown. Plans of the finance, membership, music, paper and publicity committees were all explained by the various chairmen.

HANDY STOMACH REMEDY TO HAVE ABOUT THE HOME

Instantly stops indigestion, gas, sourness, heartburn or acidity.

The moment "Pape's Diapepsin" reaches the stomach all distress goes.

As there is often some one in your family who suffers an attack of indigestion, acid stomach, dyspepsia or some form of stomach trouble, why don't you keep Pape's Diapepsin in the house handy?

This harmless blessing will digest anything you eat without the slightest discomfort, and overcome a sour, gassy stomach in five minutes. Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will really understand how indigestion, sour stomach, heartburn and other distress go in five minutes and relieves at once such miseries as belching of gas, eructations of sour undigested food, nausea, headaches, dizziness, constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors. A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.—Advertisement.

DINES THE BISHOP

Bishop T. S. Henderson, who spoke last night in Grace Methodist church was the guest at dinner last evening of the Rev. and Mrs. W. W. Hartman at the Ridge Avenue Methodist parsonage, 1900 North Sixth street.

Mrs. J. Ritchie Smith left for her home at Princeton to-day after spending a week with Mrs. John H. Weiss and Mrs. Herman P. Miller in this city.

PROPOSED BRIDGE LOAN DISCUSSED

Hill Residents Cite Reasons For a Structure at Walnut Street

Threatening skies which occasionally made good with cold drizzles of rain interfered to some extent with the attendance at the mass meeting of the Allison Hill residents held last evening in Whitmoyer's cigar store to discuss the proposed \$300,000 Walnut street bridge loan. An open-air meeting had been planned, but the weather prevented this.

Attorney Robert Rosenberg spoke on the action of the City Planning Commission in declaring against the movement.

Other speakers were H. A. Garman, Joseph Peters, D. D. Snover, Morris Emerick, George A. Houveter, H. A. Shirk, B. B. DeVout and Bernard Schmidt.

The speakers united in a thorough discussion of the improvement proposals advanced by the City Planning Commission. Numerous objections were cited, the principal one being that it would take years to complete the work and that in the end it would not be satisfactory to Hill residents, who want a thoroughfare from the northwestern section into the center of the city.

Facts and figures, intended to show that the plan of the commission to widen the Market street subway and build another subway at State street

BIG VICTORY IN SIGHT FOR REPUBLICANS

[Continued From First Page.]

Republican Club will tender a reception to the candidates.

At the committee meeting last evening Alderman Bayles, who was a candidate for county commissioner at the primaries, made a speech, assuring the voters that he is for the whole Republican ticket and will ask his friends to vote that way. Alderman Walter and Charles E. Pass, who was one of the Bayles supporters at the primaries, also expressed themselves as confident of a big Republican victory this year.

Among the candidates who spoke to the committee were W. W. Caldwell, candidate for sheriff; Henry W. Gough, candidate for county controller; Fernando Loudermilk and F. B. Snavely, candidates for poor director; Dr. Henry M. Stine and Charles C. Cumber, candidates for county commissioner; Mark Mumma, candidate for county treasurer; William F. Houser, candidate for register, and Dr. C. E. L. Keene, candidate for school director.

The meeting was most enthusiastic and the largest in years. The members from the various wards one and all reported conditions most excellent. Everywhere there were evidences of harmony and satisfaction with the ticket.

COFFEE A NARCOTIC AND DOPE WITH OPIUM

Well Known Medical Writer Declares Coffee, Like Opium, Holds Victims in Pitiless Grasp

"I would like to make everyone thoroughly understand that coffee is a narcotic—a very strong narcotic, too," says Dr. C. S. Carr, in a communication to the Ohio State Journal.

"There is no drug in the pharmacopeia that has a more powerful effect upon the brain centers than coffee. Coffee is a dope and narcotic almost equal to opium. To be sure, it does not produce at once the mental disaster that opium does. Slowly but surely coffee gets control of its victim and holds him in its grasp, a pitiful, helpless victim."

NOTE.—The food-drink, Instant Postum, while much resembling the higher grades of Java coffee in flavor and appearance, is absolutely free from the coffee drugs, caffeine and tannin, or any other harmful ingredients. Pure, wholesome, harmless, convenient, economical, this delicious hot beverage is rapidly taking the place of coffee in homes where health is a prime desideratum.—Advertisement.

Do You Dread the Cold?

Some people enjoy cold weather, take pleasure in winter sports and the keen air calls the pink to their cheeks and the red to their lips. Others shrink from cold and turn blue at the least exposure to frosty air.

The difference is in the blood. Rich, red blood warms the body. Every long breath of pure cold air increases oxygen it carries to every part of the system. Thin blood is unable to take up the life-sustaining oxygen. The body lacks nourishment and the sufferer is always cold, takes a chill easily and is miserable all winter.

This blood is largely the sufferer's own fault. It results from neglect, because the blood can be built up. Dr. Williams' Pink Pills supply the elements that the blood needs to make it rich and red and to enable it to carry more oxygen. Building up the redness of the blood is simple but because thin blood does not call attention to itself it is often neglected. Have you seriously considered taking a course of treatment with these blood-making pills? If you are in doubt write for information.

Your own druggist sells Dr. Williams' Pink Pills and the Dr. Williams' Medicine Co., Schenectady, N. Y., will send you a booklet "Building Up the Blood" free on request.—Advertisement.
