BIG STAR GETS INTO GAME IN LAST INNING

"Big Bill" Killifer was missed in the world's series games. This does not mean that Eddie Burns was lacking. The Phillies' star catcher, who has been out with a bad arm, has had more experience with pitchers and a general opinion prevailed that had he been back of the bat the Boston hits would have been less. In the last inning of yesterday's game when the Quakers came to the bat Killifer asked to get into the game. He batted for Rixey, but could not turn the tide.

Suddenly, one of the lines flashes taut and a silver fish five feet long flings himself out of the water, shaking his head. A shout goes up from the crowd, they begin to coach the fisherman exactly as they would a runner at a basball game. Then there is another strike. Two of them are going at once. With several of the giant fish hooked at the same time and everybody-thoroughly excited, the spectacle becomes one worth going a long way to see.
