Your Case Is Not Hopeless When You Know Where to Seek Relief

Know Where to Seek Relief
H. C. Kennedy or any druggist in this city will promise to give your money back if you are not cured of rheumatism after using two bottles of genuine Rheuma. To those who know the wonderful results secured with Rheuma this offer is not necessary, but there are many who have failed to get results with other medicines and this offer is made to convince the sceptical.

Hear what T. M. Baird, of Delton, Mich., has to say: "I was taken with rheumatism in my hips and limbs. It was all I could do to walk or work. Last Spring I tried a bottle of Rheuma, and three bottles did the work. I am not the only one here who has been benefited." Rheuma rids the system of uric acid, the poisonous sediment which is the chief cause of rheumatism.

Official notice was given yesterday to more than 150 meat dealers in the city markets that they must obey the new law and would be given two weeks to comply with the requirements. The mass meeting next Wednesday will be held so that dealers will have an opportunity to learn just what is demanded in the new act.

Farmers in the city markets are also warned by Dr. Raunick against selling cider by the glass and then using the glass for another customer without properly cleaning it.
