DAUGHTERS OF 1812 WITH THE REGENT

Interesting Session Is Held This Afternoon With Special Addresses

MRS. MABEL CRONISE JONES

The first fall meeting of the Keystone Chapter United States Daughters of 1812, was held this afternoon at the home of the Regent, Mrs. Mabel Cronise Jones, 105 Locust street.

After the reading of the minutes by the secretary, Miss May Fox, reports of various officers and committees were given.

The nominating committee submitted the following names as suggestions for the election to be held in December.

Regent, Mrs. James B. Mersereau; first vice-regent, Mrs. Charles J. Wood; second vice-regent, Mrs. Kistler.

The interesting feature of the afternoon was an address by Jacob Lightner of the Department of Labor and Industry.

Current Events were given by Mrs. Jones as usual, and solos were most artistically sung by Miss Seaman.

Girls With Beautiful Faces or Graceful Figures.

American girls have a world-wide reputation for beauty, but, at the same time, there are girls in Pennsylvania who possess neither beauty of face nor form.

Johnstown, Pa.—"I was always ailing and had severe headaches up to the time I used 'Favorite Prescription'.

Thin Folks Who Would Increase Weight

SIMPLE DIRECTIONS EASY TO FOLLOW

Thin men and women—that big, hearty, filling dinner you ate last night. What became of all the fat-producing nourishment it contained? You haven't gained in weight one ounce. That food passed from your body like unburned coal through an open grate. The material was there, but your food doesn't work and stick, and the plain truth is you hardly get enough nourishment from your meals to pay the cost of cooking. This is true of thin folks the world over. Your nutritive organs, your functions of assimilation are sadly out of gear and need reconstruction.

MOJA 10c CIGARS

A MAN who smokes a few MOJAS gets more quality for his money

and more satisfaction than a man who smokes the same amount of nickel cigars.

The all Havana quality does it.
