THE GLOBE "The Big Friendly Store"

MEXICAN BIRDS FOR THIS STATE

State Game Commission Sending Agent to Tampico to Get Quail For Propagation

Agents of the State Game Commission will leave next week for Tampico, Mexico, to negotiate for the purchase of a supply of quail from the Mexican uplands for propagation purposes in Pennsylvania. Experiments made with quail from Cuba and Mexico have shown that the Mexican birds are better adapted to our climate...

Cunningham's "Vacation."—State Highway Commissioner Robert J. Cunningham is taking his vacation in the present fortnight by touring the State and inspecting the State highways over which he has not traveled. The commissioner started out immediately after the session of the State Board of Stages ended at Philadelphia on Saturday and will go over highways which he desires to visit. He will visit first the State and spend considerable time on the road leading to county seats. Probably 2,500 miles will be covered. Up to date the commissioner has personally inspected about 1,000 miles of the State system and many more miles of county or township roads.

Lock Haven Men Here.—A delegation of Lock Haven men were here yesterday afternoon to discuss Clinton county roads with Chief Engineer Uhler. Representative C. H. Rich accompanied them.

No Award Made.—No award was made yesterday of the contract for construction of the State bridge over the Conewango creek in Warren county. The bridge spans a State highway and that department asked bids.

Miller Given Leave.—Lieutenant E. T. Miller, of Troop K, First Cavalry, stationed at Lock Haven, has been given leave of absence from October 1 to May 26. This is to enable him to attend college.

Turtle Creek Changes.—The borough of Turtle Creek, which has figured in State affairs for some time, has been officially rechristened. It is now West-Ingushouse. There is a project on foot to have East Pittsburgh and Wilmerding unite with it and form a third class city.

Applications Numerous.—Applications for 1916 registration of automobiles are not the only ones now being received at the Capitol. A number of motorcycle owners have also applied.

State Gets Busy.—Meats at which meat is sold and stores which make a specialty of fresh meat will be visited by State meat inspectors in the next fortnight to start enforcement of the new meat protection law. The law requires that all meat be kept covered and free from insects or handling.

MAY CONCLUDE ALLIANCE.—By Associated Press. London, Oct. 14.—The Russian Foreign Office had been informed says a Petrograd dispatch to the Times, that the wish has been expressed at Tokio that preliminary negotiations for a Russo-Japanese alliance be concluded as speedily as possible. It is reported that Russia is about to send a high official on a special mission to Japan.

AIRSHIP BROUGHT DOWN.—Berlin, Oct. 14 (by wireless to Sayville).—An official communication from Constantinople says that the Turks have shot down a hostile aircraft east of El Arish. The aviators were captured.

Bids for Bridge.—Bids were opened at the State Highway Department for the construction of a bridge on State Highway Route 94 in Conewango township, Warren county, by First Deputy State Highway Commissioner Joseph W. Hunter in the absence of Commissioner Cunningham. The bids received were as follows: Ferrin Engineering Company, Pittsburgh, \$184,511; J. A. Paddock, Brookville, \$233,529; Elmer M. Bove & Son, Corry, \$4,767,800; Whitaker & Diehl, Harrisburg, \$582,410; G. W. Ensign, Erie, \$4,146,700; G. W. Ensign, Inc., Harrisburg, \$4,490,933; Central Construction Company, Wooster, Ohio, \$3,959,590. No award was made, as it will be necessary to confer with the railroad company at this point before any action is taken.

REvolutionISTS DISARMING.—By Associated Press. Washington, D. C., Oct. 14.—Reports to the Navy Department from Admiral Caperton today were to the effect that conditions in Haiti were quiet and that the revolutionists were disarming.

For Acid Stomachs Use Magnesia

Quickly Stops Sour Burning Feeling and Makes Digestion Painless

The almost universal use of magnesia by physicians and specialists in the treatment of stomach troubles, is due to the fact that it stops food fermentation and neutralizes the acids—the direct cause of nearly all stomach troubles. Of the many forms of magnesia such as oxides, citrates, carbonates, sulphates, etc., the most suitable and efficient, and the one prescribed by leading specialists is bisulphated magnesia, a teaspoonful of which in a little warm water immediately after eating will instantly relieve the acid, stop fermentation, and thus ensure painless normal digestion. Care should be taken to get bisulphated magnesia, as its action is infinitely more effective. It is also, by the way, usually stocked by druggists in compressed tablet form as well as in the ordinary powder form. Stomach sufferers and dyspeptics who follow this advice will avoid the use of peppin, charcoal, soda, mint, and other medicines are invariably astonished to find that the stomach, relieved of its irritating acid and gas, soon regains its normal tone, and can do its work alone without the doubtful aid of artificial digestants.—Advertisement.

STEELTON Reluctance About Placing Orders For '16 Delivery

While practically every steel mill in the country, at the present time, is operating at capacity or near it, there seems to be some reluctance about placing orders for 1916 delivery, declares the Iron Age in its weekly review of the iron and steel trades today.

Says the Iron Age in part: "The volume of current business for 1916 delivery is not as great as might be expected with steel as scarce as it is and with the expectation general that this tightness will continue for months. Few mills are making any effort to sell for any part of next year, but the Steel Corporation's gain of 400,000 tons in unfilled orders is taken to mean that it has done more selling for the first half than its competitors."

"Some of the steel companies are holding out because they are well sold up for several months and look for higher prices."

"Apparently buyers for European governments have failed to appreciate the rate at which the mills have been filling up. France has held back large requirements for the first half of next year which must soon be replaced. Italy has been asking for barbed wire, plates, billets and bars running up to 100,000 tons and has encountered rising prices on all sides."

Steelton Snapshots To Hear Hillis.—A large delegation of church people from Steelton will go to Easton this evening to hear the Rev. C. E. Hillis, who is conducting an evangelistic campaign there. The booster chorus, in which there are about 50 children, will sing. The service will be held at 7 o'clock, in charge of Mrs. Hillis.

Harvest Home.—Harvest Home will be observed in the First Reformed Church Sunday with special services at 10 o'clock. The morning service will be the collection of canned fruit which after the service will be sent to the Bethany Orphan Home.

David M. Attkes, Jr., Friday, Oct. 1, died suddenly yesterday morning. Funeral services will be held tomorrow afternoon at 2 o'clock at the home of Mrs. Attkes, 433 Catherine street, in charge of Mrs. Hillis.

Walter Canon, North Front street, was dragged 15 feet yesterday when the handle bars of his bicycle caught in the spokes of a wagon. He was uninjured.

Mr. and Mrs. David M. Attkes, 619 North Third street, announce the birth of a son, David M. Attkes, Jr., Friday, Oct. 1.

M. W. A. Meets.—Steelton Camp, 5683, will meet to-morrow evening to receive new recruits.

Under the auspices of the W. C. T. U., Mrs. Ella S. Stewart, of Chicago, will speak in the First Methodist Church, Sunday afternoon at 3.15 o'clock.

CONVENTION OPENS.—With delegates present from many surrounding towns the annual conference of the Epworth League of the North West District opened in the First Methodist Church this afternoon. The day's work was accomplished at the afternoon session.

At this evening's session Superintendent L. E. McGinness, of the Steelton schools, will speak. The Rev. Dr. McGinness, superintendent of the Antislavery Missions, will be present. The principal speaker this afternoon was the Rev. Thomas Donahough of Philadelphia, a former lawyer. He told of his work of the Meerut School in India.

WANT DAYHOFF TO PLAY.—Whether or not Harry Dayhoff, the smashing right halfback of the Steelton High school football team, will start off in Saturday's game with Central, is a much mooted question among Steelton football "rooters." Dayhoff was barred from play for two months to conform with the rules of the new Pennsylvania interscholastic Athletic Association.

STEELETON PERSONALS.—Mr. and Mrs. John Houck, South Second street, have returned from a trip to Philadelphia.

Mr. and Mrs. J. W. Walk and son, of Main and Trewick streets, are in Hagerstown for a few days.

Miss Catherine Crowley, North Second street, and the Misses Clancy, North Third street, have returned from a trip to New York.

ELMER L. GEIB'S FUNERAL.—Funeral services for Elmer L. Geib, who died yesterday, will be held from his late home in Euhaut, Sunday afternoon. Burial will be made in the Oberlin cemetery. Mr. Geib was 25 years and death was due to heart trouble. He is survived by his wife and one child.

WILLIAM R. PLATT.—Funeral services for William R. Platt, who died at the Hamburg Sanitarium yesterday, will be held from the home of his sister, Mrs. John Clepper, 224 Locust street, Saturday morning at 10 o'clock. Burial will be made in Mt. Olivet cemetery. Mr. Platt was 43 years old.

DAVID ETTER DEAD.—David Etter, 53 years old, died yesterday at his home in Wilson street, Middletown, from a complication of diseases. He is survived by his wife, two sons, George W., and James, of Middletown; two brothers, George W. Etter, of Harrisburg, and Adam Etter, of Clarendon, Iowa; two step-brothers, Luther G. and Harvey C. Yngst, of Harrisburg, and six grandchildren. Funeral services will be held Saturday afternoon at his late home. The Rev. H. F. Hoover, pastor of the Church of God, will officiate. Burial will be made in the Middletown cemetery.

PLAN FIREMEN'S MEET.—At a meeting of the committee from Middletown's three fire companies, Tuesday evening, plans were formulated for holding the 1915 convention of the Cumberland Valley Firemen's Association here. Nothing definite was decided.

SUFFRAGE SPEAKER TALKS.—Miss Belle Kearney, a woman suffrage speaker, addressed a crowd of 300 people at the Middletown market house last evening. She spoke for two hours and held the undivided attention of her audience. The greater part of the big crowd were men.

MIDDLETOWN PERSONALS.—Mrs. Luther Nauss, of Swatara street, is in Philadelphia.

David Rhen, of Catherine street, returned from New York to-day.

Mrs. Clara Garver is spending the day at Hershey.

Mrs. David Farmer of Blackfoot county, Ohio, visited friends and relatives in town yesterday.

There will be a special meeting of council Monday evening for the purpose of relocating the Lawrence street bridge.

NISH-SALONIKI RAILROAD IS CUT

(Continued From First Page.) Austrian attacks, however, are reported as everywhere progressing. The Serbians are counter attacking, but these counter strokes are declared to have been repulsed with heavy losses.

Serbian took the initiative at one point on the Bulgarian frontier on Tuesday, according to a Sofia dispatch to London and crossed the border but were defeated after an all day battle in their attempt to occupy the heights west of Belogradchik, Bulgaria.

The Russians now have superiority in munition supplies, a Dutch correspondent at the front telegraphs to The Hague, this accounting for their recent successes against the Austrians and Germans.

According to a Stockholm dispatch, 17 German ore steamers which ply the Baltic are missing and are believed to have been sunk by British submarines. The sinking of a half dozen German steamers by British undersea craft in these waters already has been recorded.

The British have made a general attack along nearly the entire front from the pres in Belgium to Loos in Northern France, and the German War Office announced to-day. It declares that all the attacks failed.

The line of the new attack reported by Berlin, extends for a distance of more than 25 miles. If it proves to be in reality a concerted offensive movement it represents one of the most extensive that the British have undertaken.

The British attack was accompanied by a bombardment of the Belgian coast. Italy probably will take part in the allied movement in the Balkans Rene Viviani, the French Premier told the French Senate to-day.

That Russia would participate in the Balkans operations of the allies, begun by Great Britain and France, already had been announced by Premier Viviani. Sir Edward Grey, in the British House of Commons, to-day made a similar announcement, saying that the Russian troops would be sent as soon as they were available.

MARTIAL LAW DECLARED.—By Associated Press. Paris, Oct. 13, 10.25 a. m.—Declaration of martial law at Saloniki on Tuesday is reported by the Athens correspondent of the Havas news agency. General Moschomowios, who is in command of the Greek forces there ordered his troops to salute the French and British officers. The commander of the allied troops will issue a similar order.

AGREEMENT REPORTED SIGNED.—By Associated Press. Amsterdam, via London, Oct. 14.—Semi-official announcement that a Turkish-Bulgarian military agreement has been signed, is made in the Lokal Anzeiger. Under the terms of the agreement Turkey places two army corps and her munitions factories at the disposal of Bulgaria while the latter country agrees to supply Turkey with coal and railway materials. It is agreed that Turkey shall have free use of Bulgarian harbors.

HEALTH INSURANCE.—Some people are naturally thin. There is also a natural pallor but most people who are both thin and pale are far from well and they need a tonic.

Many people neglect to take a tonic until they get so sick that a tonic is not sufficient just because the demand of the debilitated body is so insistent enough. The pale face, weak nerves, enfeebled digestion are actual breakdown requires medical treatment. A tonic in time is the best health insurance. It supports the overtaxed system, the worried nerves until nature can make repairs.

Build up the blood and you are sending renewed health and strength to every part of the body. The appetite is improved, the digestion is toned up, there is new color in the cheeks and lips, you worry, become soon natured where before you were irritable and you find new joys in living.

Tonic treatment is useful in dyspepsia, rheumatism, anemia and nervous disorders. In many cases it is the medical treatment that is required.

Free booklets on the blood, nerves and diet will be sent on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.

QUIT MEAT WHEN BACK HURTS OR KIDNEYS BOTHER

Says Uric Acid in meat clogs Kidneys and irritates Bladder.

A glass of Salts is harmless way to flush Kidneys, says authority.

If you must have your meat every day, eat it but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the bowels are bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out of the body's urinous waste get four ounces of acid Salts from your pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.—Advertisement.

PENNSYLVANIA ASKS AN INQUIRY

Would Have Dauphin Grade Crossings Investigated by the Public Service

The Northern Central Railway has answered the complaints against grade crossings in Dauphin made before the Public Service Commission and has asked an inspection by the commission's officers before a hearing is held. The Hummelstown Water Company has filed a general denial in the cases filed against it.

The commission is in session at Scranton to-day on the jitney cases, but no decision is likely for some time. Commissioners Billing and Magee are working out cases here.

E. H. Kauffman, residing in Manheim township, Lancaster county, lodged a complaint against the Pennsylvania Railroad Company and the Lancaster, Elizabethtown and Middletown Road Company, alleging that the bridge built by the railroad company across the turnpike near Dillerville is of insufficient span to permit free and unobstructed travel along the roadway.

The borough of Portage, Cambria county, instituted a complaint averring excessive rates charged for water service for fire protection. The rate charged the borough prior to September, 1915, was \$15 per annum for each fireplug located within the borough. In renewing the contract the water company fixed the price at \$35 per annum for each fireplug. The complaint also alleges that under existing conditions the company will not be able to serve an adequate supply of water during the dry seasons.

NO "KIOSK" HERE.—The United States Weather Bureau will not establish "kiosk" or booth in Harrisburg. The department, at Washington writes the Harrisburg Chamber of Commerce that information derived from barometers and thermometers in booths is very unsatisfactory.

An announcement that at 1424 N. 3rd St. there has been opened The Pastry Shop whereat there will be for sale pastries of all descriptions; all of which will be home-made.

BUY GOOD COAL & LESS COAL

The better the coal you buy—the less you have to buy—and the less you have to buy, the lower becomes your aggregate coal expenditure. Since all coal—good, better and best—costs the same per ton, don't you think it the part of wisdom to get the best for your money, and keep the total expenditure down?

Buy Montgomery Coal—its quality has been known for years—there is none better.
