 Dives, Pomeroy & Stewart—Second Floor.

The Hidden Value in Overcoats--It's Quality That Counts

That which cannot be seen as readily as the cut of the garment, the beauty of the pattern and the character of workmanship is the hidden value—the quality of the fabric. We guarantee that when you buy an overcoat here you get that which not only pleases the eye as to good looks and pleasing style but a full quota of hidden value that will prove itself through actual use.

And remember—that "Winter is within a bird's hop" and that when you'll need an overcoat you'll want it RIGHT AWAY. Don't be deluded by a few warm days. The hearts of the leaves are showing up red against the green. We've the overcoats in ever so many styles—smart English cut form-fitting styles, swagger full back toppers, rich dress coats, heavy coats for winter blizzards—coats for dress, for work, for outdoor men, for every occasion.

Come in to-morrow and try on these new models without one scintilla of obligation to buy
