On Body, Limbs, Face and Between Fingers. Couldn't Sleep. Mass of Scales.

HEALED BY CUTICURA SOAP AND OINTMENT

"A rash broke out on my body and it got on my limbs and face and even between my flagers. The itching and burning feeling was terrible and also the pain. At night I couldn't sleep for the itching and burning. My whole person was a mass of scales.

"Then a friend told me to try Cuticura Soap and Ointment which I did. Just as soon as I used them a little while I began to so better. At night I would put the Cuticura Cointment ou, then I would wash with Cuticura Soap, and after using them a little over two mombs I was healed and I have now got skin like velvet." (Signed) Mrs. A. DRESSES, GLOVES, SILKS AND SUITS

Tells women how to dry clean everything with gasoline and save \$5.

It is very easy and inexpensive to dry clean and brighten all the ribbons, laces, yokes, neckties, silks, net work, satins, shirtwaists, kid gloves and shoes, furs, children's clothes, suits, caps, woolen garments, fancy vests, Swiss, lawn, organdie and chiffon dresses, draperies, rugs, in fact any and everything that would be ruined with soap and water.

Get two ownces of solvite at any struggist and put it in two gallons of gasoline, where it immediately dissolves. Then immerse the goods to

rasoline, where it immediately dis-olves. Then immerse the goods to be cleaned; rub a little and out they some looking bright and fresh as lew. You will find nothing fades, hrinks or wrinkles, requiring no

shrinks or wrinkles, requiring no pressing.

These few moments' work saves any household five to ten dollars. Try it and you will find dry cleaning just as easy as laundering. Your grocer or any garage will supply the gasoline and the drug store will furnish the solvite, which is simply a gasoline soap. Then a wash boiler or large dishpen completes your home dry cleaning outfit.—Advertisement.
