The Most Talked Of Exhibit at the Pure Food Show

Interest at the Food Show centers around the exhibit of Dromedary Cocoanut and Dromedary Dates.

Dromedary Cocoanut can't be beat for freshness, flavor, convenience or economy. You will be surprised at its full, rich flavor and extra-freshness. Don't forget this—Dromedary Cocoanut is more economical than ordinary package cocoanut that once opened soon dries up and has to be thrown away. The "Ever-Sealed" package keeps Dromedary Cocoanut fresh to the last shred.

Dromedary Dates

Dromedary Dates are the choicest of the choice. Only the plump, mellowest and most luscious dates grown in Arabia find their way into Dromedary Date dust-proof sealed packages. Ask for Dromedary Dates by name.
